

FFWPU UK: Guiding Light Winter Workshop For Central and Eastern European Youth

Michael Balcomb

January 1, 2023

Over the winter holidays, various workshops were held for youth. In the Central and Eastern European region, a workshop called "Guiding Light" was held in Poland. Watch the video below.

On January 1st, we concluded our Central and Eastern European HARP Workshop which was a huge success. It hasn't been easy, we faced lots of challenges as staff, but it was all worth it. The kids are still keeping in touch, we're watching Chosen together, many got more active in their communities, started listening to the High Noon podcast, etc. - Sandra (Workshop Organiser)

Huge thank you to all those who contributed to the workshop.
