Japanese Members Gather for New Year's Celebration

"Our Japanese new year's party went well. It's common in any organisation in Japan to do a new year's party. Members from Sheffield, Manchester, Wells and London participated in the event, as well as four missionaries who brought a high spirit."

- Mrs Fumiko Balcomb

Reflections on UPF's Seminar on Principles of Peace

"It was a huge effort to come down to London this time. We had a mixture of VIP's, close friends and young people. It was worthwhile because of the clear, practical presentations which allowed people to connect with the Principle and True Parents in a very real way."

- David & Patricia Earle

2-day Non-Residential Divine Principle Workshop 16th-17th January 2023 at Lancaster Gate

With the aim of preparing participants for the upcoming 7-day workshop in Prague, a 2-day non-residential workshop was held in our UK HO. The fact that it was held in the week made it more accessible for those who are no longer in full-time employment to attend. We had six members in all, and one new guest hearing DP for the first time. All came from the London regions.

We had the pleasure of hearing the presentation skills of William Haines, FFWPU North of the Thames regional pastor.

We covered standard **2-day content with many anecdotal insights from William's diligent** research into the holy scriptures, particularly the Abrahamic faiths.

Presentations were 45 minutes long, with breaks and pizza delivered in for lunch.

I was impressed by the high standard of Lancaster Gate these days, well-organised by our dynamic HO staff and also due to the stellar efforts of Mrs Taeko Endo, keeping the whole place in tip top condition!

All in all, I think a great experience was had by everyone. Reconnecting with our precious Divine Principle in a workshop setting, and being able to discuss its revelation, inspired both members and our new guest alike.

Although there wasn't the usual downtime for family night or walks in the park, Lancaster Gate is very accessible to Londoners, so there are definitely plans for more workshops of this kind in the future.
