Over the years, our very own William Haines has lectured far and wide, teaching thousands the way of the Principle and our values. In recent years, his content has been documented in video form which is what we aim to highlight with this new article series; William's Wisdoms!

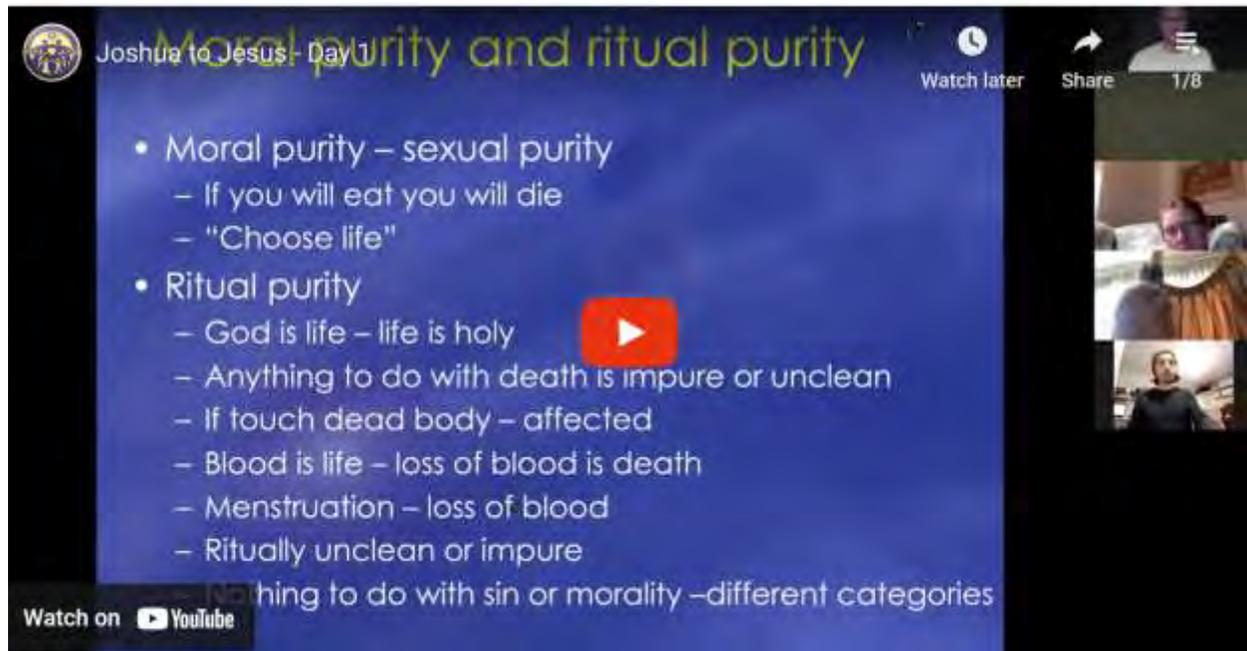

This week, we look at the second part of William's "Reading Life Through The Principle: Commentaries On God's Providence" series of lectures. The third part is titled: "From Joshua To Jesus: The Challenges Of Nation Building".

Click on the text below to take you to the playlist of this lecture series:

[Tracing God's Providence through the People of Israel from the entry into Canaan under the leadership of Joshua to the birth of Jesus. We will examine the challenges they faced and how they responded to them as they sought to realise their calling to be a "holy nation and kingdom of priests".](#)

Below is the first lecture of "From Joshua To Jesus: The Challenges Of Nation Building":

The image shows a YouTube video player interface. The video title is "Joshua to Jesus- Day 1" and the video content is a slide titled "Moral purity and ritual purity". The slide lists the following points:

- Moral purity – sexual purity
 - If you will eat you will die
 - "Choose life"
- Ritual purity
 - God is life – life is holy
 - Anything to do with death is impure or unclean
 - If touch dead body – affected
 - Blood is life – loss of blood is death
 - Menstruation – loss of blood
 - Ritually unclean or impure

At the bottom of the slide, it says "Nothing to do with sin or morality –different categories". The video player interface includes a "Watch later" button, a "Share" button, and a "1/8" indicator. A "Watch on YouTube" button is also visible at the bottom left.
