Hello everyone!

HARP UK is pleased to announce that the Easter DP Workshop 2023 dates are now officially out and the registrations are open! The workshop will take place at Cleeve House, just before the Easter Family Camp. See below an introduction to what to expect and look forward to from the upcoming workshop!

"HARP was founded to teach the Divine Principle. Therefore, to fulfil the purpose of our organisation we will be hosting a Divine Principle workshop this Easter. The

DP may appear to be complicated theology that has little bearing on our everyday lives, yet nothing could be further from the truth. As Unificationists who aim to put our faith into action, it is essential that our core principles inform our every decision. However, if we are unsure of what these principles are, it becomes very difficult to see how they are relevant to us.

Our goal with this upcoming workshop is to explore how the DP teaches us to live. There are many lessons for us to learn, from discovering about the nature of God to clarifying the purpose of life. Additionally, the DP educates us on how to relate to others and we are encouraged to not repeat the mistakes of the past so that we can bring about restoration. Accordingly, the goal of this workshop is to revitalise the spiritual lives of our HARPies by "Breathing New Life" into to the DP."

Accordingly, the goal of this workshop is to revitalise the spiritual lives of our HARPies by "Breathing New Life" into the DP. You're not going to want to miss it ... so don't and REGISTER TODAY!
