# Get To Know The Holy Oak Memorial Woodland!

**In addition to the Won Jeon and Burial Grounds, our Holy Oak Memorial Woodland has more to offer. It is a place to connect with nature and God.**

The Holy Oak Woodland is situated in a small quiet English village called Stanton Fitzwarren, only 1.5 hours' drive or 55 minutes by train from London. It includes both the Holy Ground and the Won Jeon in its lands. It is surrounded by beautiful nature where you can enjoy walks, serenity and a vast array of wildlife from deer to over 30 varieties of birds! You can also just simply watch the beautiful sun sets and the night sky, enjoy a BBQ with friends and family or have a quiet meditating time in nature.

The Holy Ground is also the only holy ground in the world where Rev. Sun Myung Moon himself planted an oak tree when he established the holy ground in 1974. Since then, many members from all over the world have visited this spiritual place to offer prayers.
