

FFWPU UK Seonghwa Caring Ministry: Supporting Bereaved Families

Michael Balcomb

March 8, 2023

The Seonghwa Caring Ministry would like to know how to better support our bereaved families. We would be grateful for your input in shaping our ministry. What do you think would help you most in your journey of bereavement and healing?

We will surely continue to hold our Annual Memorial Service at the Holy Oak Memorial Woodland in Stanton Fitzwarren in the month of August.

However, there are some other activities that could be offered. Please let us know what you would like or wish to participate in:

1. Bereavement Journey course or bereavement support group (two different versions now, over several weeks)
2. A webinar - covering which kind of issues? Any suggestions?

suggestions?

3. A discussion group (for bereaved members, zoom) from time to time
4. A personal chat with someone from the committee
5. Nothing at all for now
6. Any other suggestions

We would be most grateful if you could email us your preference and suggestions at: seonghwa@ffwpu.org.uk

Knowing your choices will be very helpful for our ministry to move forward.

Many thanks!
