

# OUR CHEONBO ROAD

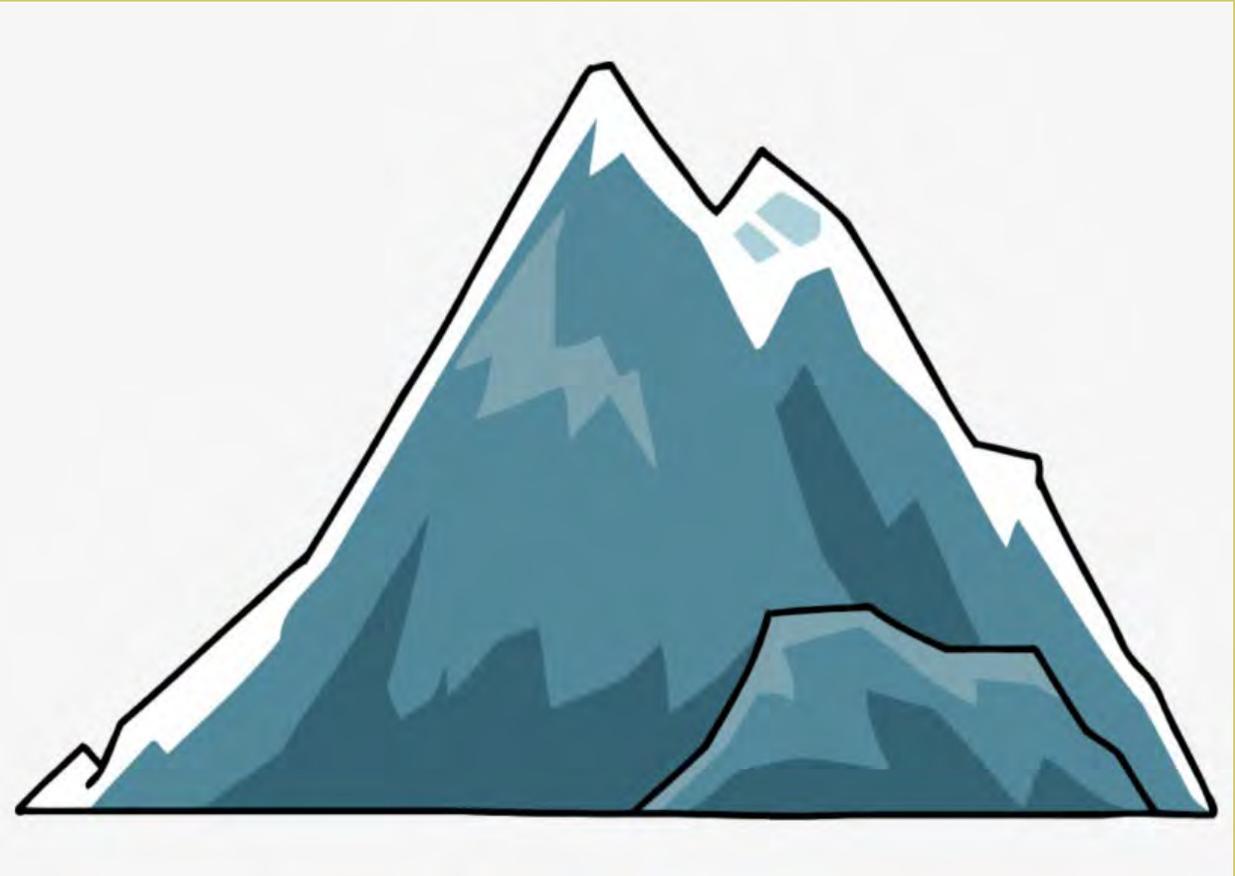

Let's All Be  
Heavenly  
Treasures!

# WHAT DOES IT MEAN TO BE CHEONBO?

1. God wanted all of His children to be victorious, happy and perfected...to be **Heavenly Treasures**.
2. So, He gave us the **three great blessings** ...
3. And **choice and responsibility** to fulfil them ...
4. The Fall destroyed the dream of God – and our dream too. **We have to get it back...**

# *EVERYONE* IS A CHEONBO IN THE MAKING

1. Even without the Fall, each generation would have its **own separate portion** of responsibility.
2. Perfection – completion – is a journey, not a static destination. It will **always continue**.
3. There will **always** be challenges and difficulties
4. Cheonbo, by definition, is for **everyone**. But for now, too few people understand it or know about it. So we have a responsibility **to be a pioneer**.

# THE WAY FORWARD

Some  
Cheonbo  
Tips

# #1: WHERE ARE WE GOING: WHAT IS CHEONILGUK?

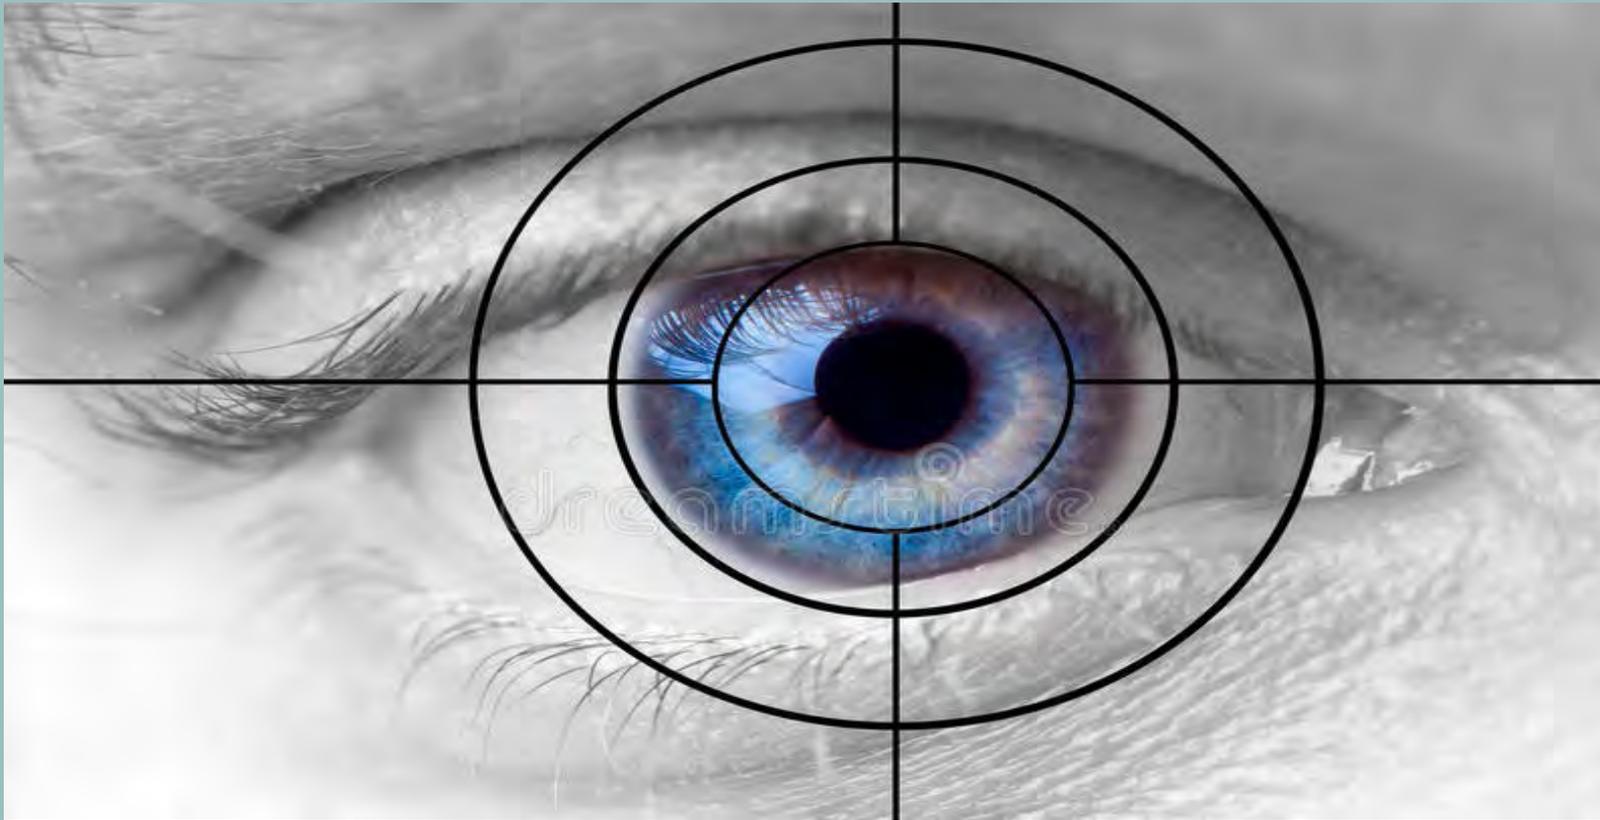

*True Father said that Cheonilguk (the Heavenly Kingdom must include three things —*

1. **Sovereignty:** where God has final authority
2. **Territory:** at least a nation and finally the world.
3. **People:** God absolutely needs us. A King without people is not a King; a couple without children are not parents. *Without us, even God cannot be the Heavenly Parent, Teacher or King*

## #2: SURVIVING THE JOURNEY AND WINNING

*True Mother said we should be kind—*

1. **Forgive** each other for our mistakes and failures
2. **Love** each other as if we were already perfect
3. **Unite** with True Mother and **her vision** – even and perhaps especially if we don't see all of it.

## MAKING THE VISION REAL
