

## FFWPU UK: The Blessed Family Network - Stay Up-To-Date On Blessing 2023

The Blessed Family Network is an online platform open to all Blessed families. As we approach the Blessing 2023, a group has been opened within this network to share up-to-date information.

We want to introduce you to the Blessed Family Network. This is a network open for all blessed families to share content but also we especially created our own group with current information and updates of the Cosmic Blessing 2023.

We are still waiting on final updates from the different locations but as soon as we have the latest information, it will be posted on the Blessed Family Network. We will keep the website updated because we feel a lot of information is getting lost in different memos.

It is easy to join the network. You just need to create an ID and you will receive access. The site is also available as an app (Mighty Networks).

Please follow the link to join: [the-blessed-family-network.mn.co/spaces/8298899?utm\\_source=manual](https://the-blessed-family-network.mn.co/spaces/8298899?utm_source=manual)

It is also possible to ask questions in the group. The Blessed Family Department staff team will try to answer them as soon as possible but you can always reach them through email as well: [europa.cosmic.blessing@gmail.com](mailto:europa.cosmic.blessing@gmail.com)

The network is also open to all Blessed Families, not just those going to this year's Blessing, as there are a range of groups within the network, from "Life As A Blessed Couple" to "Becoming A Person Of Integrity" groups.
