Who: Young Adults aged 18+

What: The Retreat 2023 - Companions of Faith

When: Friday 8th September - Monday 11th September 2023

Where: Dovedale House, Ilam, Ashbourne, DE6 2AZ

Why: This is a space for adult blessed children to spend time together to connect as the UK community and develop our relationships as companions of faith. Whether you come from a workshop packed summer for some final digestion before the start of the academic year or if you work all year round and come to take time in nature with the community and with God or are anywhere in between, you are warmly invited to attend. This is a precious space for our young adult community and I hope we can laugh, connect, reflect, discuss and enjoy it together. We hope it can be a continuation for us as Companions of Faith.

"In the way of faith, we need true companions of faith. When they can help each other, love each other, and radiate great beauty, thus becoming a source of pride among those around them, the Will of Heaven will automatically multiply." - True Father

More details to come. Registration will open later this month.

God bless,

Retreat Team 2023

Grace T., In-sun T. and Josh M.
