

## FFWPU UK: Young Men Rally To Assist Livingstone House

Michael Balcomb  
September 20, 2023

In a display of solidarity, young men from our United Kingdom community joined forces over the weekend to lend their support to Livingstone House. Their efforts focused on the task of rearranging furniture and various manual jobs, setting the stage for upcoming events at the centre.

The young adults extended their assistance to Uncle Clive by reorganising furniture, transporting bulky boxes, and tidying up rooms in preparation for the upcoming events slated to be hosted at Livingstone House.

What might have been a task spanning several days for a single individual was efficiently completed in a mere morning, thanks to the dedication of nine eager young men determined to contribute to the improvement of a property we are committed to seeing flourish.

Following a strenuous morning of navigating the staircases at Livingstone House, the men were pleasantly surprised with a delicious fruit mousse cake as a delightful treat.

Livingstone House is preparing to extend a warm welcome to students from our community who will have the opportunity to reside at this property that has been a cornerstone of our United Kingdom community for decades. Livingstone House will also host an [upcoming CheonBo event](#) in a couple of weeks.

# Livingstone House Room Vacancies For Young Adults

**Livingstone House has been given the green light to start a new "Young adults spiritual community" where the building will return to its original purpose as a haven for young members to study, form life-long bonds and foster a culture of creativity under our True Parents.**

The River South Pastor will be involved with the spiritual well-being of the community whilst focused efforts to restore the house through business income will be under the guidance of the newly formed Livingstone House management team.

The community will be organised to provide a good study environment with high-speed full fibre internet as well as quiet study areas. There will also be public areas for gatherings, entertainment, music, and sport for the resident community.

Single and double rooms are now available for students and young adult members to participate in this pioneer project as long-term (annual) and short-term (monthly) residential agreements are now available.

**If you are a student or young adult wishing to study or live in London and participate in this community, please contact either Clive P. ([clivepollitt@aol.com](mailto:clivepollitt@aol.com)) / 07815964011), Adza M. (07852211167) or Saoirse M. via social media.**
