HOLY OAK MEMORIAL WOODLAND

Opened on November 10th 2010, our burial site consists of an acre of land in the corner of a field overlooking the village of Stanton Fitzwarren, near Swindon. We are planning to provide for three hundred burials, although there might well be space for considerably more. The site is situated on the land that Henry and Avril Masters donated to our movement many of years ago and adjoining the Holy Ground that True Father created in 1974 while planting an Oak tree that lends its name to the burial ground.

We have chosen to have a memorial woodland burial ground with head stones laid flush with the ground, trees planted, and benches provided. This is because it will be most easily assimilated into the landscape.

We are most grateful and indebted to Keiko G. for managing the Holy Oak Memorial Woodland burial ground for so many years. Keiko was inspired in 2003 by True Father's words saying that Blessed couples should be bury in 'holy ground'. She invested herself in creating Stanton Fitzwarren into a beautiful space and a burial ground for our ascended members. The Holy Oak Memorial Woodland is the first and only Wonjeon in Europe.

In 2021, Keiko retired and Kumiko L. took over the management of the site. Contact Kumiko through: kumiko@ffwpu.org.uk

Grand, authentic, friendly and charming

We held our wedding at Cleeve House and it was perfect! The staff were amazing, the staff were polite and nothing was a problem. The staff communicated with all our suppliers and allowed us to relax and enjoy our day, checking in and making sure we was OK every now and again. Breakfast was excellent, the rooms were clean and tidy, nothing was a problem! Thank you so much, we had a fantastic couple of days and wish we could do it all again!
