Care Policy & Agreements

During our workshops we intend to have media recorded (photography and video) for the purpose of memories for the participants and parents and these will be distributed accordingly as stated below. However, if you would prefer your child not to be included in the media from the workshop feel free to reach out to us. Please note that although we will try our best, we cannot exclude participants from their team photos or the workshop group photo.

I acknowledge that the photographs and videos taken during this workshop will be stored on the HARP UK office drive and may appear in the final workshop video - which will be posted on YouTube and shared with the communities. Photos may appear on the familyfedcommunity.org.uk website, on the national newsletter or on the HARP UK Facebook page. For any queries, please contact us on harp@ffwpu.org.uk.
