

FFWPU Europe and the Middle East: Zoom Gathering of European 777 Blessing Couples

October 21, 2023

We organised a Zoom meeting for European 777 Blessing Couples to celebrate the 53rd anniversary. Four couples were present at this gathering, and we were able to connect with one other couple immediately afterward. Everyone was happy to have this opportunity to share a little of our testimonies, as we did not all know each other.

To the best of our knowledge, there are only 13 such couples in Europe and Middle East, however, some brothers and sisters are already in the spiritual world. At this meeting, we were the only ones who had inherited this blessing and were not present at the ceremony in 1970.

It was proposed to have another Zoom meeting in about 6 months' time when we hope to have a few more participants. Please contact Alan and Brigitte Sillitoe at absillitoe@gmail.com for more information.
