TESTIMONIES

Antoanetta Marsh, Germany, CheonBo 2-day Event, October 21st-22nd 2023

Dear Pres. Moon, Dear Rev. Krebsz, Dear Cheonbo team. Please accept our deepest gratitude for hosting this CheonBo event and giving us the opportunity to receive True Parents 'Love and Blessing .Participating in a Cheonbo event is always a very profound experience. The venue is always packed with bright, beautiful spiritual people/angels, who rejoice being and working with us. During the ancestor liberation Chanyang, while following the powerful video in Korean, I was transported directly to the big hall in Cheonbo won. Although my physical body was in Camberg, my spirit went to Korea and experienced the Chanyang yoksa as in Champyeong . My heart was overwhelmed with emotions. These events are so precious ; at the same time we know that you are sacrificing your personal time with your families and many other things in order to do this work, and investing every ounce of your energy to give us Heavenly Parent 's love and embrace. We thank you deeply and offer our prayers and support as you go along this arduous journey to bring the Cheonbo Providence to every nation, to every brother and sister.

TESTIMONIES

Anzela Tamanova, Germany, CheonBo 2-day Event, October 21st-22nd 2023

Dear InPyo Moon and Cheon Bo Team, Yesterday I participated online in the night vigil prayer in Germany. During night vigil prayer I heard a guidance that we need to prepare ourselves for Cheon Bo events, we need to really pray for spirits to leave us, prepare ourselves so that we don't lose focus and when we open our heart and soul spirit world can work through us. I got very inspired and created a plan to prepare better for Cheonshimwon devotion through conditions of praying and Hoon Dook Hwe. I really asked Heavenly Parent to teach me how to prepare better. And in the night I had amazing dream. In the dream our Latvian Church was preparing for True Father visit, brothers and sisters doing different things to greet True Father. The image in my head was of True Father that regularly comes to visit us. He was dressed in a green cardigan and black trousers, as if he just left home for an errand and soon will be back. In my dream I decided that I should go to Cheonshimwon room and pray so desperately with so much emotion, because True Father needs to come and immediately feel that we are waiting for him. He needs to feel warm holy energy that comes from prayer, that is the most important preparation for Cheonshimwon meeting with True Father. (2nd part on the next page)

Now, it's getting colder in Europe and you need to warm your house, I felt that I needed to spiritually warm the Cheonshimwon room so Father felt warm and the last message from my dream was: " True Father have to feel how much your are waiting for him there." True Father can feel your effort. When I woke up, I was so happy because for the 1st time I felt what it means that Cheonshimwon is True Father's office. I have heard it in many workshops but in my dream I truly felt it. Father wants to come to our Cheonshimwon room, to meet us. But, as True Mother says:" You need to raise your spiritual temperature ", in order to truly connect with Father and experience the grace of Cheonshimwon. I realised once again the importance of understanding True Parents words spiritually, it really touches your heart. Intellectual understanding of True Parents words cannot change your life, your heart must be touched deeply. I am so grateful to True Mother for giving us Cheonshimwon, so our hearts can grow and I am determined to raise the temperature so high, so that True Father can really feel it every time He comes to Cheonshimwon. I want to convey my deepest gratitude to True Parents and our beloved Cheon Bo Team. Thank you very much for giving this incredible opportunity to change my heart.

**Thank you beloved True
Parents!**
