As we are approaching the end of the year, we would like to look back at all the events and achievements of this year in preparation for the highlights video and the Annual Report.

Between two pilgrimages in Korea, a UK CheonBo tour, the Annual Gathering Festival, numerous national and local workshops, and much more, this year was packed! A lot took place all across the country and we are excited to hear all about it! How was this year for you?

We want to hear all about your experiences and achievements this year and we invite you to share them with our UK community. Whether this was a an experience from one of the many national or international events, a personal breakthrough, a spiritual experience, something you are grateful for or a notable mention for 2023 - send it our way! And if you have photos, even better - just as they say, a photo can be a 1000 words.

Do you have a story you would like to be told? Do you have photos you would like added to the highlights video? Share them with us at comms@ffwpu.org.uk by the 15th of November.
