

FFWPU Wales, West Country and West Midlands, UK: Families Healing Together At Cleeve House

October 29, 2023

On Sunday the 29th of October, the Wales, West Country and West Midlands Holy Community hosted a Family Healing event at Cleeve House. Here's how it went!

See a report about the event from Betty R., our Blessed Families Department Officer below:

On Sunday 29th October we had our first Sunday gathering at Cleeve House in many months. It was a large gathering where Chris F. was the MC and Bernard C. led the music. Len C. gave a testimony of his trip with his friends to the Resurgence event in the States where a large number of young members gathered for True Mother's message. He also shared his experience of fundraising with his brother and friends.

I gave a talk about family healing and Viola D. sang 'Colours of the Wind', while Elliot ran a Sunday School lesson about Remembrance Sunday. All of this was followed by a delicious potluck lunch which included a gorgeous lasagna from Daniel J. and a yummy chicken pie from Viola, as well as many cakes and treats. The afternoon included pumpkin carving with Elliot and face painting by Kayoung Y.

It was a great opportunity to socialise and catch up! If any of the attendees remembers anything from the message about family healing, try to spend 5 - 10 minutes this week to stop for a moment with your family and friends - and have a conversation about what's going well or what you're grateful for and what's hard, and then pray out loud for each other and let the heart of our loving Heavenly Parent into your relationships this week.
