TESTIMONIES

Pozzato Catalina, Female, 52, Bergamo, Italy, CheonBo 2-day Event, 2023. Oct.28-29

Thank you, Heavenly Parent and True Parents! You always look forward with clear vision. This is one world, all of us are brothers and sisters centering on our True Parents! This became clear for me, so strong and clear. We are all children of True Parents, and we are not alone, we have a lot support! In the last period of my life when I was asked to take responsibility, I answered: NO, because I felt alone, weak and not able to do. I was so wrong! We are never alone, the great Heavenly Parent, brothers and sisters are around me. How blind I was! Not long ago I could read a book titled: "Remarkable healings"- It is so serious, important to liberate the central evil spirits. Thank you again True Parents and all brothers and sisters for your hard work. I love you!

TESTIMONIES

•Anonymou, Bergamo, Italy, CheonBo 2-day Event, 2023. Oct.28-29

As soon as we got to know about the CheonBo event, my wife was pointing out how difficult it could be for her to come and attend. In that moment, I decided to attend alone anyway, although I was disappointed. I immediately felt that our Heavenly Parent did not like my state of mind and He was not very happy about what I was feeling. Thus, I made all efforts to give my offering with a calm heart, without any judgement towards my wife. Two days later, what I call a miracle happened: she expressed her desire to attend the event. This is what led us to share two wonderful days, full of emotion, determination, feeling of a new beginning, joy, and truth in our hearts.

Together, we felt how great desire our Heavenly Parent has to find someone He can trust in order to give His blessing. His heart was stabbed with pain, so much suffering, but through our True Parents, Heavenly Parent wants to give us new life and great blessings. We need to realign with the good spirit world and cooperate more heartily in order to defeat and chase away Satan from ourselves and from the whole society. Satan wants to dominate us in all ways, both spiritually and physically, and we are the one to decide his end, his defeat. We should not feel discouraged when we cannot find anyone who listens to us, or follow us; we should be patient, and we should be confident that victory will be ours, and our True Parents and our Heavenly Parent.

TESTIMONIES

Rosa Malinverni, Female, 78, Bergamo, Italy, CheonBo 2-day Event, 2023. Oct.28-29

These workshops led by the CheonBo Heavenly Europe Branch are a huge gift for us, because they enable everybody to attend in order to revitalize our spirit. To me, these CheonBo events give deep joy and provide a constant feeling of gratitude. The harmony of the singing group [the Chanyang Team], their taking turns, and their gestures have an emotional and artistic impact that goes on endlessly, and tirelessly. Greeting our and other people's ancestors at the end of the Ancestors' Blessing Ceremony gives in our heart and soul a strong feeling of the reality of the time we spent together, and sounds like telling 'goodbye, and see you soon!'. The ongoing, continuous education, lectures deepening our knowledge about the spirit world. Thanks to these events, both in presence and online, allows me to tighten the gap that I feel between the physical and spiritual life. It makes me feel them (physical and spiritual life) as if they are one: one entity casting no shadows.

First of all, let's offer our gratitude to our True Parents for their grace and love that allowed us to host this event, especially after these years of inactivity because of the Covid pandemic. All the difficulties that we had to meet and prepare the event are evidences that the power evil is exist, but also that the evil cannot prevail. Right at the last minute, before the event would end, a landslide blocked the main road leading to this venue. But once again True Love prevailed, our Ancestors could be liberated and blessed with the precious help of the HJ CheonBo Branch team of Heavenly Europe and the Middle East, led by Pres. Moon. This event surely marks a spiritual turning point for our nation. Thank you all, and may God bless Italy, Europe, and the Middle East.

TESTIMONIES

Alberto Pugnoli, Male, Bergamo, Italy, CheonBo 2-day Event, 2023. Oct.28-29

My ancestors and my grandmother and one of my aunts visited me during the event. It was wonderful, for my wife [Gerlinde], too. They did very good to us, we are very grateful; I could understand more God's heart, and how He wants to give us more responsibility to save as many of His children as possible. Thank you all, aju!

Thank you beloved True Parents!
