# TESTIMONIES

**Taub Svetlana, Female, 65, Chisinau, Moldova, CheonBo 2-day CB WS, 2023. Nov.11-12**

This workshop was the best workshop in my life. I got many clarifications including the central evil spirits which I did not know. Today I could liberate many famous Romanian people and central evil spirits from my family members. After the Cheonshim Won vigil prayer I had a dream with True Mother. In the dream the members were gathering in Stadium and I saw True Mother was sitting among them. I went to True Mother and hugged her, kissed her head, and helped True Mother to come forward and I went out to bring water for her. Then I woke up...Thank you God for this amazing experience with True Mother. Thank you, Heavenly Parent, Hyo Jin Nim, Heung Jin Nim, Dae Mo Nim. And thank you for the CheonBo team.

I was deeply satisfied after this seminar. The CheonBo Team from Korea left a very strong impact on me. The CheonBo WS motivated me a lot because it showed me some direction that I need to follow. The given words are living and life-giving water. You would want to listen to them endlessly. Everything they say is a mirror of True Parents. I will be very happy if the CheonBo team visit us again.

**Anonymous, Chisinau, Moldova, CheonBo 2-day CB WS, 2023. Nov.11-12**

It was quite difficult for me to "connect" spiritually and emotionally to the Cheonshim Won vigil night. I felt an inexplicable inner existence. Gradually, I put myself in the position of the object and followed the directions of the people in charge. These two days, November 11 and 12, it's as if I lived in another world, parallel to the usual one. I felt that beside of the participants from Moldova, there are many members of the Heavenly Parent Holy Community from the spiritual world as well. I felt I was in the CheonBo Heaven and Earth Training Center in Korea. The lectures presented by Mr. Moon and Mr. krebsz were extremely important in content. And most importantly, they were presented by a great warmth of love. Next day after the seminar, when I looked at True Mother's picture on my computer screen, which I look at every day, this time I had the feeling that the picture came alive and True Mother was looking at me with a big smile. A huge thank you to the CheonBo team for the love and truth and seriousness that they have passed down to us from the True Parents.

# Thank you beloved True Parents!
