

FFWPU UK: True Children's Day Celebration Service Held At Livingstone House

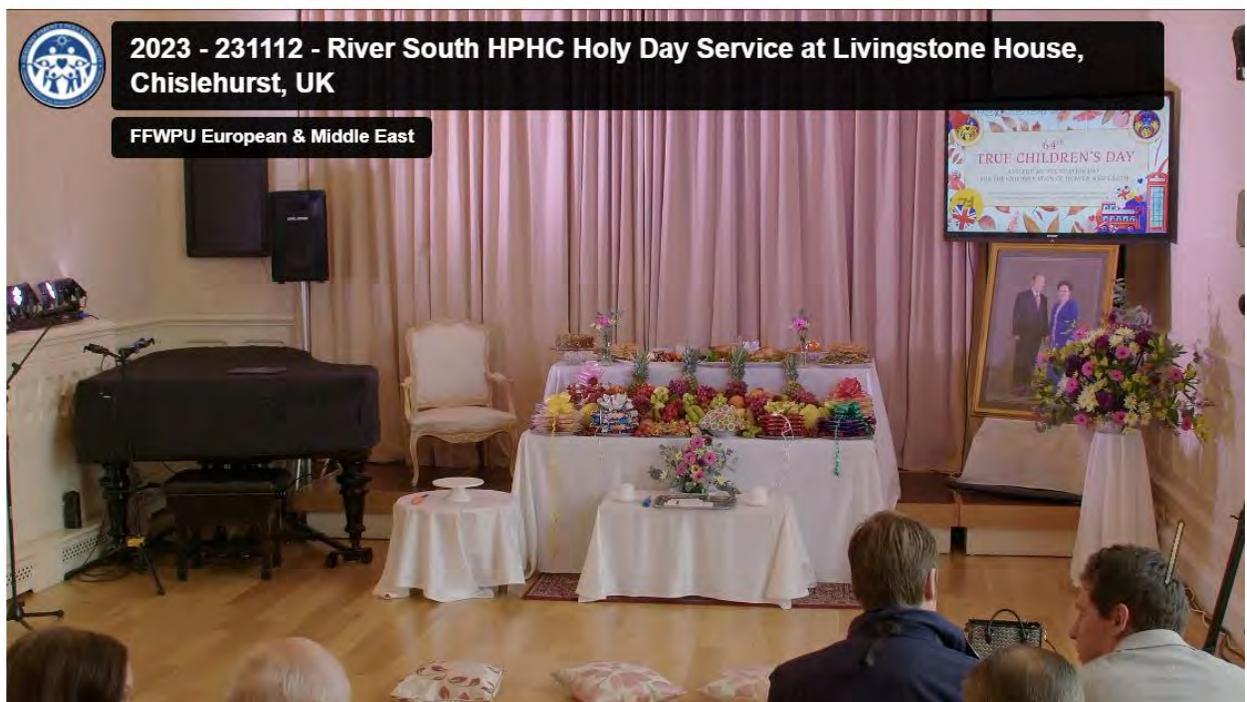

Michael Balcomb
November 15, 2023

On Sunday, the River South HPHC celebrated this Holy Day at the beautiful Livingstone House which was full of members and young families.

Members gathered this Sunday, filling the main hall and 3 overflow spaces to join in unity and hear a sermon from Dr. Mike B. Afterwards, people joyously greeted each other and took photos with the offering table before it was dismantled to make room for a delicious lunch. There was even afternoon entertainment with members performing and singing songs together.

One of the young people in attendance said- " It was a really beautiful Sunday, everyone was dressed up and the atmosphere was joyous. It is always great to be able to spend time talking and bonding with my friends whilst being able to catch up with our elders and take care of our youngers. Livingstone House is such a beautiful location to be able to hold such events, I am very grateful that we have it"

Watch the full sermon of Dr. Mike B. [Here](#)
