Our Children's Ministry Team have released a new activity book for children above 4 years of age - the first of many. Order yours now!

We want to introduce you the very first activity book created by the Children's Ministry team just before Christmas Festival on the 17th of December 2023. I had this idea for a long time and last year, I set to work on creating something that children from the age of 4 can enjoy.

This activity book is created as a story about True Parent's eldest son Hyo Jin Nim, who as a boy shares about his parents, his pets, his dream, and his family party. Inside the book children will find many fun activities to do like drawing, word search, colouring, finding 10 differences, maze, and more!

For illustrations we commissioned our very own Tanya C., a talented young artist from Moldova, who did a brilliant job despite her busy schedule. Thank you very much Tanya! A special thank you to Dr. Balcomb and Dawn P., whose ideas for the book were taken into consideration, and to David R., who worked hard with the book's design layout

and arranged it to be published in the shortest time possible. I must say that this is the third project I have been working on with David R. and his professionalism, diligence and humble attitude amazes me every time!

We hope that parents and children can enjoy this activity book in 2024. Please feel free to share your suggestions to improve it as we plan to produce similar activity books on different topics every year.

If you are interested in ordering the book, please contact Ala at ala@ffwpu.org.uk. Thank you!
