

## FFWPU UK: Potential Organised Coach Travel to Munich to meet True Mother

Michael Balcomb

April 4, 2024

True Mother's visit is scheduled for the 18th and 19th of May in Germany and River South is considering to organise coach travel to Munich. Read more from Pastor Adza!

We are considering in River South Community whether it would be feasible to organise coach travel to Munich to meet with True Mother. It is a 13-hour+ journey (stops not included, so it will be longer because we will have to stop) and only for the resolute who can endure the long journey. Good thing is - you get to see Europe from the ground.

We will only hire a coach if we have sufficient interest and can cover the costs which are still being worked out. In order to gauge interest, could you fill the attached form? Only fill the form if you are interested. The first question is therefore redundant (do you wish to travel by coach?).

Thanks,

Pastor Adza
