

## FFWPU UK: Countdown To The Cheonwon Temple Opening - Physical Booklets Arrive

Michael Balcomb  
February 18, 2025

Physical copies of the Cheonwon Temple Opening Booklet have arrived in the UK. Plus, discover the Cheonshim-won Prayer Hall, a must-visit for those traveling to Korea this April.

Physical versions of the Cheonwon Temple Opening Booklet have arrived in the UK and have been sent to each community. If you would like a physical copy, please ask your pastor/s.

The Cheonshim-won prayer hall in Gapyeong, South Korea, is renowned for its vibrant night prayer vigils, where many claim miraculous healings and spiritual breakthroughs.

Rooted in deep prayer traditions, this holy site is believed to provide a unique channel to heaven, offering a sacred space for those seeking answers to their prayers.

Reported healings include liberation from ancestral and troubling spirits, recovery from sickness, and even overcoming incurable diseases.

Visitors speak of a profound spiritual presence, with angels said to aid in healing and fulfilling prayer requests.

The surrounding grounds, including revered holy prayer sites, are also described as places of extraordinary spiritual experiences, offering a sense of peace and divine connection.

Many pilgrims report encountering a palpable energy of transformation, making Cheonshim-won a focal point for those seeking physical, emotional, and spiritual restoration through deep communion with the divine.

The Cheonwon Temple Opening article series will come out weekly to keep you updated. If you want to learn more, [download the Official Temple Booklet](#).
