**EMPOWER is a missionary and faith-based development program for young adults ages 18-30 to help them find and live their faith by growing their hearts and love for God, True Parents, and others.**

EMPOWER offers opportunities for participants to have strong and mature characters through fundraising training, witnessing training, participating in service projects, and going on a pilgrimage in Korea to experience the history and heart of True Parents and the Heavenly Parent's Holy Community. EMPOWER encourages its participants to become active in their communities and grow their hearts to become global citizens.

Since January 2025, we officially became a program where participants become **Heavenly Top Gun (HTG) EUME** missionaries.
