Come To This Year's Family Camp!

You have until May 15th to register for one of the 25 spaces left on this year's UK Family Camp!

Dear friends,

For a chance to make some special memories for yourself, your family, or with your extended family and friends - your community, you can register now by clicking on the registration link below:

[Register Here!](#)

Please feel free to forward this invitation onto any of your friends and family that you want to invite to avoid them applying too late. The experience of people bringing their extended family and the general culture of becoming an extended family where we share our blessings through summer camp is valuable.

Friday late afternoon 25th July - Wednesday mid-morning 30th July (5 nights)

Location: Cleeve House, Seend, Wiltshire

Cost:

£140 - per person (2 years and under, go free)

£450 - Max price per family

(£45 surcharge per person, if sleeping indoors)

Staying off site: £100 (individual) £350 (max price per family)

(if you have are keen to participate but have any challenges to complete the registration due to financial circumstances please give Simon C or Simon R a call/reply to this email)

If you can camp, then we recommend camping! Sleep under the stars.

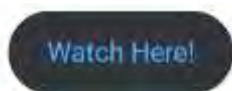

Please note for those not camping: We will have brothers' rooms and sisters' rooms indoors, and then there will be 5-7 rooms for families, particularly for those with small children or for those unable to camp for different reasons. Recently we have had some families with very small children sometimes booking an Airbnb nearby as it allows them a little more flexibility, and we are happy to help coordinate/communicate for those who might want to share an option like that with friends or another family. Do get in touch if you have any questions.

What to expect if you are coming for the first time or have not been for a while:

- experience being part of a 25+ year tradition, a big extended family - all ages welcome
- authentic Iranian BBQ
- bonfires, with camp side songs and marshmallows
- crazy competitions, volleyball, water sports, football, etc
- ingenious, edgy, and creative live entertainment
- delicious and nutritious meals
- an option and an opportunity to study and have meaningful and open discussions about spiritual life every morning

Weather permitting, we are planning a day out to the beach at Studland Bay this year. More details on that in the follow up emails.

Again, if you are coming for the first time you can watch a video of last year's camp here:

We will be sending out a detailed information email for everyone who is registered in the first week of May - we have taken on board lots of the helpful feedback from those who left comments about the last camp. Any burning questions - just reply to this email.

God bless,

Simon and Chieko Cooper and Simon Rosseli
