Prepare For The Spirituality Workshop Taking Place In The UK This June

There will be a 21 day Spirituality workshop taking place in Livingstone House from the 10th to 30th of June.

Dear Brothers and Sisters of the EUME Region,

We're excited to announce the dates for the upcoming EUME Spirituality Workshops! These workshops will be a wonderful opportunity to strengthen our relationship with Holy Mother Han, for spiritual growth, and to deepen our understanding of the current providence.

More details, including registration information, will be shared soon. We look forward to your participation and hope to see you there!

Best regards,

CheonBo EUME Branch
