The Director of Education and Ministry has resigned from her position

Michael Balcomb
October 12, 2012

Dear Members and Blessed Central Families,

Warm greetings in the name of God and True Parents! Thank you for your prayers and devotions as we continue to affirm our dedication and commitment to God's Will in this time following True Father's ascension.

This memo is to officially confirm a change in leadership in the American church. Following the earlier resignation of the Church President and CEO [In Jin Moon], Mrs. H. T. has resigned from her position as Director of Education and Ministry. This change is effective as of October 11, 2012.

We would like to express our thanks and appreciation to H. for her service, sacrifice and hard work over the past four years. As Director of Ministry and Education, she helped to introduce new educational curricula for membership, innovations in worship services, youth and pastoral ministry, and more. She assembled a talented, multi-generational team that has made great contributions to our national outreach.

We also want to thank H.'s husband and her family for the very considerable sacrifice of allowing H. to work apart from them away from home for days and weeks at a time. The support and dedication of the entire family is much appreciated.

We wish the best for Heather in her future endeavors as she continues to serve God's Providence here in America.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Balcomb".
