Dear District Pastors,

Thank you for your input today during the District Pastors' conference call.

As we discussed during the call, the following tools can be used in District Council elections throughout the nation.

Online ballot -- District Council Ballot [www.formstack.com/landing/11658](http://www.formstack.com/landing/11658)

National E-Mail -- [election@unification.org](mailto:election@unification.org)

National Fax -- 917-398-1928

Data from the online ballot will automatically link to a Google Docs spreadsheet. Votes from e-mail and fax response will be added to the spreadsheet compilations. A complete list of voting results for each District will be forwarded to you after the close of voting at midnight, Friday, October 19.

We will forward a national mailing address later this evening.

Thank you,

David Rendel
