Dear District Pastors, Pastors and Youth Pastors,

In a few days (December 23), GPA participants will be returning to be with their families and communities during the Christmas break. This is a great opportunity for them to reach out to their brothers and sisters and share the blessing they have received.

We would like to ask you to give them a warm welcome, and support them in any way you can to set up an event for BC's who are high school and college age. Generation Peace Academy is also open to young Unificationists who have enough foundation to join a one year program (must be recommended by their Pastors).

The participants will decide which day during their break is the best time to hold an event, go through a short power-point presentation, perhaps share some testimonies and do something interactive. This year they are also going home with some brochures to hand out.

The GPA participants will return to New York to take part in the New Year Workshop on January 4.

Wishing you a great end of 2012, and Thank you for your support!

Roland Platt
GPA Director
