Important -- Request for Reflections about Tonight's 2020 Kickoff Service in Korea

Michael Balcomb
May 4, 2013

Dear District Pastors and Community Leaders,

I just received a call from Dr. Balcomb in Korea as the Special 2020 Kick-off Service there has completed. I hope that you were able to watch the live webcast.

Dr. Balcomb asks that we send him reflections right away from members in your Districts about the program, in response to requests from True Mother and Dr. Yang. The responses should be simple and sent by e-mail or by text.

We apologize for the late hour of this request. Let's do our best to comply.

Thank you,

David Rendel for Dr. Balcomb
