

Seonghwa Anniversary Videos and Special Offering

Dear District Pastors and Community Leaders,

Earlier this week, I returned from Korea and the week-long observances of the 1st Anniversary of True Father's Seonghwa and Ascension.

I know that most of you will have seen the video footage of that event already, either real-time on the evening, or later on by download. I would like to encourage you to make sure that all members have access to that material – True Mother told me that she particularly wanted members who were not able to make the pilgrimage to Korea to at least be able to share in the heart and spirit of the occasion by watching these specially prepared videos. We will send an Internet link to you soon for viewing these videos.

On a similar note, I wanted to ask you to make one more appeal and invitation to all families in your community to offer a donation for the commemorations of True Father's 1st Seonghwa Anniversary. Of course, many families have already given generously, and I would like to thank them all for their heart of sacrificial giving. At the same time, our records do show that some communities, only 10-20% of the registered families have so far made a donation. I am concerned that everyone should take seriously the opportunity to participate in this holy ceremony: I consider it very important.

Thank you, and God Bless You,

Dr. Michael Balcomb
President
