*"So God created man in His own image, in the image of God Created He him;
male and female created He them. " Genesis 1:27"*

May 5, 2007

Dear Sisters in Christ and All Women in Ministry,

We pray that your families and ministries are being blessed more and more as God's providence moves forward rapidly to the fulfillment of God's Peace Kingdom.

The ACLC Women In Ministry (WIM) would first like to thank you for all of your support and prayers as we work to continue to increase the participation of Women Pastors, Women Ministers and First Ladies in ACLC. Since ACLC WIM started in Ocean City in March 2004, God has blessed our work through different events. God has added to the national coordinators. Now we are 12 women strong and have hundreds of Women Pastors, Pastors Wives and Women in Ministry associated with the American Clergy Leadership Conference. Father and Mother Moon have proclaimed that women must lead the way to peace in this new age by building model families with their husbands and children and taking responsibility to bless the community, the nation and the world.

We are pleased to announce to you today 50 states tour entitled "America's Destiny: One Family Under God – Hope, Harmony and Healing. Dr. Hak Ja Han Moon accompanied by her son, Dr. Hyun Jin Preston Moon, will travel to 12 states beginning May 21st through June 1st. Her two daughters-in-law, Mrs. Jun Sook Moon and Mrs. Yun Ah Moon, will travel to 19 states each also. We would like to invite you to join in this wonderful event when they are in your city. We also hope you can work closely with the ACLC Pastors in your area and bring many Pastors, church leaders and members who are praying and longing for peace. Each state is organizing a special "Welcome Committee" of Women Leaders to support Mother Moon and her daughters-in-law. We pray all women will come together to uplift God and America through the Message of Dr. Moon. (See attached tour schedule.)

We are confident that Jesus' love and the anointing of the Holy Spirit is leading the way for ACLC to bring unity of the family and the Body of Christ. Our role and inspiration is clear and we are grateful for the opportunity to serve as women who have been touched in a special way.

God is doing a special work at this time. We would like to ask you to support even more fully the monthly ACLC Prayer Breakfast in your area. We will come there to meet you and develop this ministry for heaven. Mothers can heal the children and lift up their husbands so that God's image will be the guiding light to happiness in the home and peace in the world.

We pray for your blessing and anointing.

Love and deepest gratitude,
