Weekly Korean Peninsula Reunification Webinar:

Biden Administration Policies and the Reunification of the Korean Peninsula

Special Joint Session: UPF North America and UPF Europe/Middle East

Tuesday, June 29, 2021, 2 - 3:10 PM EDT

Korean Peninsula policies of the Biden White House set the tone for the international community. The U.S. wants North and South to be nuclear-free, and for the DPRK to honor human rights. In the North, Kim Jong-un wants his regime to survive. He wants an end to famine and a sustainable economy that is not completely dependent on China. We invited you to join our panel of experts in a discussion of Biden policy toward the two Koreas.

Featuring an expert global panel:

- **Mrs. Kaeleigh Moffitt** (moderator), Congressional Liaison, Universal Peace Federation USA
- **Hon. Dan Burton**, U.S. House of Representatives (1983-2013)
- **Mr. Harry Kazianis**, Senior Director of Korean Studies, Center for the National Interest
