This spring is a time of dueling summits: China's Xi Jinping was breaking bread with Vladimir Putin in Moscow at the same time Prime Minister Kishida of Japan was visiting President Zelenskyy in Kyiv. We are seeing a sea change in Japan's

attitude toward military and defense. South Korea is talking tougher to China than usual. South Korea's President Yoon will make an official state visit to the U.S. this month. To complete the perfect storm, President Tsai Ing-wen of Taiwan will visit the U.S. as well. Join former NSC senior director and analyst **Prof. Dennis Wilder**, along with former six-party talks envoy **Amb. Joseph DeTrani** and Georgetown University security studies professor **Dr. Alexandre Mansourov** in a thought-provoking discussion of high-stakes power dynamics in the Indo-Pacific.
