Save the Dates! Isle of Wight Summer Retreat!

Young Adults Ministry would like to invite again to Isle of Wight for our yearly summer retreat. Last year we had an amazing time and successful workshop, and hope to make this year even better. It will be the same location, but this time we will be staying in the 'Adventure Lodge'!!

Living a good life is not always straightforward; the lifestyle choices, career options, and obvious concerns regarding the future of our movement and our community, can at times be both overwhelming and unsettling. Sometimes, experiencing a sense of peace and stillness in ourselves, is a feeling hard to come by. Every now and then, we all need a fresh perspective, time to check our priorities, and opportunities for deeper connections with brothers and sisters. So this summer, we want to provide a chance for us to reconnect but also to receive some relevant and helpful content and perspectives. We hope that the motto 'Steadfast' can provide us with strength to be clearer and more confident in how we are doing and how we want to move forwards in our daily lives. Details are below:

Dates: 19th – 22nd of June!

Price: £130 // £110 (for early bird before **20th March**)

Coach Return, from LG: £30
