Re. : Information Concerning the 198th Cheongpyeong 40-day Workshop and the 106th 40-day Special Workshop for Blessed Wives

May our Heavenly Parent and True Parents' blessings and love be with all regions and leaders in the mission fields.

The Cheongpyeong 40-day Workshop, as an important workshop for inheriting True Parents' victorious realm and completing the three great blessings, was started from March 12, 1996 based on True Parents' words, and now the 196th Cheongpyeong 40-day workshop has finished in the midst of grace. The Cheongpyeong 40-day Workshop will be held for the purpose of double-checking one's faith, making a new start and solving individual and family problems._

Regarding the Cheongpyeong 40-day Special Workshop for Blessed Wives, True Father said; "There is no way to resolve all the wrong things that you have done after receiving the Blessing without reporting them. Because of that, if you report all those things during the 40-day period, then Heavenly Father can record all of it thoroughly, and will solve the contents one by one. Without doing this, you will never be able to resolve things. Father spoke of the significance of the Cheongpyeong 40-day Special Workshop for Blessed Wives saying that it is a period during which God remembers the details of the lives of the members of each blessed family, as well as providing an opportunity to engraft each blessed family to Heavenly Fortune.

The 106th Cheongpyeong 40-day Special Workshop for Blessed Wives and the 198th 40-day Workshop are thus being held simultaneously, as noted below. Please notify all members of this workshop, so that many members can receive grace through the participation.
