Re. : No Cheon Il Guk Matching during the 2016 Cosmic Blessing

May our Heavenly Parent and True Parents' blessings and love be with all regions and leaders in the mission fields.

During the Foundation Day celebrations in the fourth year of Cheon Il Guk, the 2016 Cosmic Blessing officiated by the True Parents of Heaven, Earth and Humankind (unofficial name) will take place. Please refer to the information below as you make preparations for the Blessing.

A. Title: No Cheon Il Guk Matching during the 2016 Cosmic Blessing

B. Content

- 1) Based on the victorious offering of the Third Seonghwa Memorial, True Parents have mentioned the following regarding the matching for the 2016 Cosmic Blessing officiated by the True Parents of Heaven, Earth and Humankind, "All blessed families must follow the hoondok tradition centered on the parents. Furthermore, representing True Parents, parents should establish the tradition of properly raising children, matching them and leading them to the Blessing."
- 2) Since there will be no Cheon Il Guk matching during the 2016 Cosmic Blessing, we have attached a document titled "True Parents' Will and the future direction of the matching of blessed children" for your reference.
- 3) We humbly request all field leaders to guide all candidates who were preparing for the Cheon Il Guk matching to engage in a proper matching process that aligns with True Parents' tradition.

Attachment – True Parents’ Will and the future direction of the matching of blessed children

- 1) When looking at the history of the matching of blessed children, True Parents matched second generations for the first time in 1986 saying, “Originally, the Blessing should be administered by the parents. The reason I am doing this is because this responsibility cannot yet be entrusted to your parents. There is none who is qualified. You must understand that I am doing this with greater caution than the one with which I blessed your parents. (Speech given on April 12, 1986. 144-128). With these words, True Parents matched and blessed those assembled.
- 2) Since then, True Parents have matched blessed children with great love.
On the 10th of October 1999, True Parents proclaimed the Double-Ten Day and opened the “Era of the Fourth Adam”. In so doing, True Parents bequeathed the right of matching to parents and established the tradition of parents’ matching since the year 2000.
- 3) In the succeeding years, the “Inter-religious and International Peace Kingdom Federation for Cheon Il Guk,” was officially registered in the Cain-realm sphere (on Dec. 20, 2004 in New York). Since this registration became an important factor in laying the foundation for the victory of True Parents’ providence to establish Cheon Il Guk, True Parents invested great meaning in this registration and on the 26th of December in the same year, True Parents called 2nd generations and after giving them a special education, matched them and hosted the “Cheon Il Guk Special Blessing for 2nd generations.” Since then, True Parents hosted the Cheon Il Guk Special Matching as a special grace concurrently with the parents’ matching. During the Cheon Il Guk Special Matching, True Parents matched candidates with the original standard in the garden of Eden prior to the Fall.
- 4) The victorious launching of Foundation Day on January 13, 2013 by the Heavenly Calendar and the successful completion of three years of devotional mourning by True Mother strengthened the substantial foundation for the settlement of Cheon Il Guk and the proper offering of the Third Seonghwa Memorial to Heaven. Before and during this providential dispensation, True Parents have repeatedly emphasized blessed families’ responsibility to inherit True Parents’ tradition. True Parents said, “We must follow the original Will [of the Heavenly Parent]; parents must establish the tradition of parents’ matching by appropriately raising, educating and leading their children to the blessing.” The opening of the Cheon Il Guk era marked the return to the original garden of Eden and the advent of parents’ matching symbolized the inheritance of True Parents’ tradition to realize ideal blessed families.
- 5) The parents’ matching of blessed children is rooted first and foremost in the tradition of education established by True Parents, namely the tradition of family hoondokhae centering on the Cheon Il Guk Holy Scriptures and practicing the heavenly Word. Parents are strongly encouraged to guide children in their life of faith from an early age and educate them in the value of the original three great blessings, thereby preparing them to receive the Blessing. Furthermore,

blessed families are strongly encouraged to attend Sunday Service, workshops, blessed family gatherings, assemblies and divers other activities aimed at fostering closer, stronger knit communities of heart where parents' matching can naturally take root.

- 6) In accordance with True Parents' Will, the FFWPU HQ will provide adequate and necessary support to churches and families so that True Parents' standard of "one tradition, one lineage and one resemblance" can be firmly established in the parents' matching process and lead to blessed families inheriting True Parents' tradition and cherishing and upholding the value of the blessing, thereby contributing to the victory of Vision 2020.
- 7) Parents' matching is a tremendously important task that involves all of us. In particular, the successful implementation and continuity of parents' matching based on the Word and tradition of the Heavenly Parent and True Parents requires our wholehearted participation and support. The FFWPU HQ will work with regional HQs to provide various support programs and contents requested by parents and matching candidates. Thank you.
