In Bogotá – Colombia of subregion 3 of Heavenly Latin America and with 26 registered people and another similar number doing liberation or blessing of ancestors, the fourth edition of the Special CheonBo Liberation and Blessing of Ancestors Seminar was held in Bogotá – Colombia.

The ceremony was held at the headquarters of the Heavenly Community of Janul Pumonim in Colombia and had the participation of members respecting biosafety protocols and other members participating through the Internet Platform by video conference.

Some of the participants were able to feel and experience the work from the spirit world and all be grateful for the grace received due to the True Parents' victory.
