FFWPU Cuba Blessing on the 35th Chil Il Jeol

Celebrating the Birth of Blessed Families Attending Heavenly Parent

On August 23 in Sancti Spíritus, the Cuba Family Federation held a Blessing event commemorating the 35th Chil Il Jeol.

The event, during which 12 couples received the Blessing, was officiated by a Cuban CheonBo family.

With over 100 guests in attendance, the ceremony was a resounding success.

Despite the challenges faced by the Cuban church under the socialist system, members reaffirmed their determination to advance with strength and faith, attending Heavenly Parent with renewed resolve.
