### Cheonshim Won

As described in Chambumo Ron  
Chapter 6: The Central Providence for the Firm Settlement of Cheon Il Guk  
Section 5: The Seven-Year Course following the Firm Settlement of Cheon Il Guk (2020–2027)

On October 10, 2020, True Mother triumphantly led the CheonBo Festival, registering CheonBo families in CheonBo Won, and the following day, October 11, at the victory celebration, she gave Jeongshim Won (情心苑, Garden of Heart and Emotion), the prayer hall at the training center, a new name, christening it "**Cheonshim Won**" (天心苑, **Garden of Heaven's Heart**). Establishing Cheonshim Won as a providential organization, she designated it as a place to nurture second- and third-generation spiritual leaders for Cheon Il Guk.

I have brought the third generation forward to establish the tradition of the providence. While I am on earth, I will create all environments to be free-flowing, like running water. I will plan and develop Cheonshim Won as a place to cultivate talented individuals as pure water who can communicate with the pure and clean heart of Heaven.

Cheonshim Won is the worldwide headquarters for jeongseong (devotions). It is the main sanctuary for jeongseong in Cheon Il Guk, the main headquarters for the spiritual providence, and the center for developing the spirituality of Cheon Il Guk leaders and blessed families. **Cheonshim Won is a place where blessed families can resonate with the heart of Heaven.** It is a holy sanctuary where people can have direct dialogue with Heavenly Parent, much as Adam and Eve could. It is a place where people can resonate with the heart of Heaven (天心, Cheonshim) so that the True Parents of Heaven, Earth and Humankind can have an eternal connection by which to govern the earthly world.

Cheonshim Won is a place where True Father carries out his works. Miracles occur when we unite with True Parents. By praying and offering jeongseong (devotions) at Cheonshim Won, we can find the insight and wisdom to solve our problems. This is the kind of spiritual foundation that has been prepared for us there...

When we are on the same frequency as Heavenly Parent and True Parents' hearts, we experience resonance with them. **When we achieve resonance in unity with Heavenly Parent and True Parents, we can hear their voices.** Therefore, prayer is not a monologue but resonance with Heavenly Parent and True Parents' heart. ...

**Last 7-Day Workshop of the Year!**  
(With Ancestor and Central Evil Spirit Liberation)

This is the last Cheonshim Won Workshop of the year! Whether you have been here four or five times or have yet to, let's come together to continue to over prayers and devotion at this time.

True Mother gave this last gift to America so that we can resonate more with Heaven's voice and heart by offering devotion and prayers. Together we can move spirit world, create miracles, and substantially create Cheon Il Guk for our Heavenly Parent and True Parents.
