We sincerely offer our deepest gratitude to Heavenly Parent and True Parents. We would like to humbly present the final activity report for the Hyo Jeong Team's recent mobilization.

The Hyo Jeong Team - a vibrant youth movement composed of three distinct groups: Hyo Jeong Academy, Hyo Jeong Rang, and the Pure Water Team - successfully carried out a historic 40-day witnessing condition across Heavenly Latin America from April 7 to May 16, 2026.

Continental Dispatch and Mission

A total of 115 young people were divided into 28 teams and dispatched across 9 nations:
Brazil, Argentina, Uruguay, Paraguay, Bolivia, Peru, Chile, Costa Rica, and the Dominican Republic.

With determined hearts and the hope of bringing joy and pride to our beloved Holy Mother Han, these young missionaries took to the streets daily to find prepared individuals ready to receive the Divine Principle. Concurrently, they offered sincere prayers and Jeongseong at the Cheon Shim Won, actively seeking to mobilize the spiritual world over each designated mission field.

A Principle-Centered Formula for Success

The teams anchored their daily outreach in the timeless guidance of True Parents, who taught that successful witnessing relies on a specific formula: {Witnessing} = 40% { Spiritual Mobilization} + 30% { The Word} + 30% { Love}

Through this rigorous 40-day condition, the fruits of their dedication began to manifest. The effort resulted in 156 signed membership forms and left behind a strong group of spiritual seekers who have committed to continuously studying the Divine Principle. Throughout the entire project, the youth were

driven by a sincere desire to offer comfort, joy, and pride to True Parents during this deeply important moment in the providence.

Internal Growth and Continental Impact

Beyond external results, a defining aspect of the project was the profound testimonies shared by the youth with the wider Latin American community. Many openly expressed their internal reflections, personal struggles, deep gratitude, and absolute determination to grow in faith as filial sons and daughters of True Mother. These vulnerable testimonies cultivated a continent-wide atmosphere of sincerity, unity, and deep spiritual renewal, inspiring countless brothers and sisters.

Holistic Local Church Support

Throughout the 40 days, the Hyo Jeong Team actively engaged in a diverse array of pastoral and outreach activities, including:

- Direct street witnessing and Divine Principle education
- Focused prayer conditions and late-night vigils
- Local family visits and dynamic youth group activities
- Hands-on support for local churches and communities

Through these diverse experiences, the participants profoundly deepened their personal lives of faith, cultivated a genuine heart of attendance, and gained invaluable practical experience in living for the sake of others.

We are deeply grateful to Heavenly Parent and True Parents for allowing us to support, witness, and report on the incredible work and devotion of the Hyo Jeong Team.
