On September 15, the Heavenly Latin America Branch Training Center held a 1-Day Special Education Workshop in Mexico City, the capital city of Mexico, with a total of 62 participants.

The opening ceremony included the opening remarks by Mexico National Leader Juan Deara and welcoming remarks by Heavenly Latin America Region 4 Director Dae-hee Hong.

After following that, there were CheonBo special lectures by Heavenly Latin America President Seong-nam Kim and Lecturer David Pereyra. Through those lectures, they explained the meaning and importance of the Providence of the Branch Training Centers, and the starting point and motivation of it. Most of participants felt True Mother's sincere love towards them. True Parents understand the members' difficult situation of not being able to visit the HJ Heaven and Earth CheoBo Training Center because there is too far distance from Latin America, so that they expressed their gratitude to True Parents for such a special grace of allowing a Heavenly Latin America Branch Training Center with a thunderous applause and exclamation.
