May the blessings and love of our Heavenly Parent and True Parents be with all mission nations.

As the pandemic of Covid 19 continues to limit immigration, members are not able to participate in the workshops held in the HJ CheonBo Training Center in person. Therefore, we would like to inform you that the "HJ CheonBo Special Workshops" will be held as a video broadcast until the quarantine measures are lifted and it becomes easier to fly to Korea. There may be times, however, that the schedule will be changed due to circumstances of the Training Center, so please be sure to check the official memos and the website for detailed and up-to-date information.

Please note that this official memo is intended for members living outside of Korea, Japan and Taiwan.
