Dear WFWP-GWPN members, friends, and supporters,

March marks a significant time for the global women's movement. Not only is March Women's History Month, but it also celebrates the International Day of Women and the UN Commission on the Status of Women. In honor of this historic celebration of the role of women in our society, WFWP USA is hosting a GWPN Forum on the topic of "Embracing Womanhood: The Final Frontier."

Guided by the peace philosophy from WFWP's founder, Mother Moon, this session dives into the narrative of women's liberation, what it truly means, and how to achieve it. The discussion will also emphasize the complementary relationship between men and women, urging women to

transcend imitation and embrace their unique gifts. Central to our exploration is the recognition of the intrinsic value of womanhood, sparking a call for a transformative perspective shift.

Join us as we hear from women leaders on how we can become clear mirrors of the age, embodying clarity, purity, and indomitable power within ourselves to become leaders this world needs. "Embracing Womanhood: The Final Frontier" promises a compelling exploration into the liberating journey of women and their pivotal role as leaders and peacemakers in shaping a harmonious world.

March 28, at 5 PM PT/ 6 PM MT/ 7 PM CT/ 8 PM ET

We invite you to join us and RSVP below:

Sincerely,
WFWP-GWPN USA
