### Unification Theological Seminary

Building Effectiveness in Ministry and Public Leadership

Family Federation USA, TribeNet, and UTS will co-sponsor an historical event on July 19, 2022, commemorating the 38th Anniversary of Father Moon's entrance into Danbury Prison on July 20, 1984.

Join us during this 40-Day period of devotion where we prepare to commemorate the 10th Anniversary of Father Moon's Seonghwa Ascension. We will have the opportunity to listen and learn from Dr. Peter Kim who served as Special Assistant to Father and Mother Moon during this important chapter in Unification and in American history.

Dr. Thomas Walsh, President of UTS and Chairman of UPF International, will conduct this historic interview with Dr. Peter Kim. This event is for family and friends, as well as religious, civic, and academic leaders.

Please also consider sharing this with members of the 1st, 2nd, and 3rd generation who may not have recently attended church services or programs, but who cherish what Father and Mother Moon have endured for this country.

A special opportunity for all!

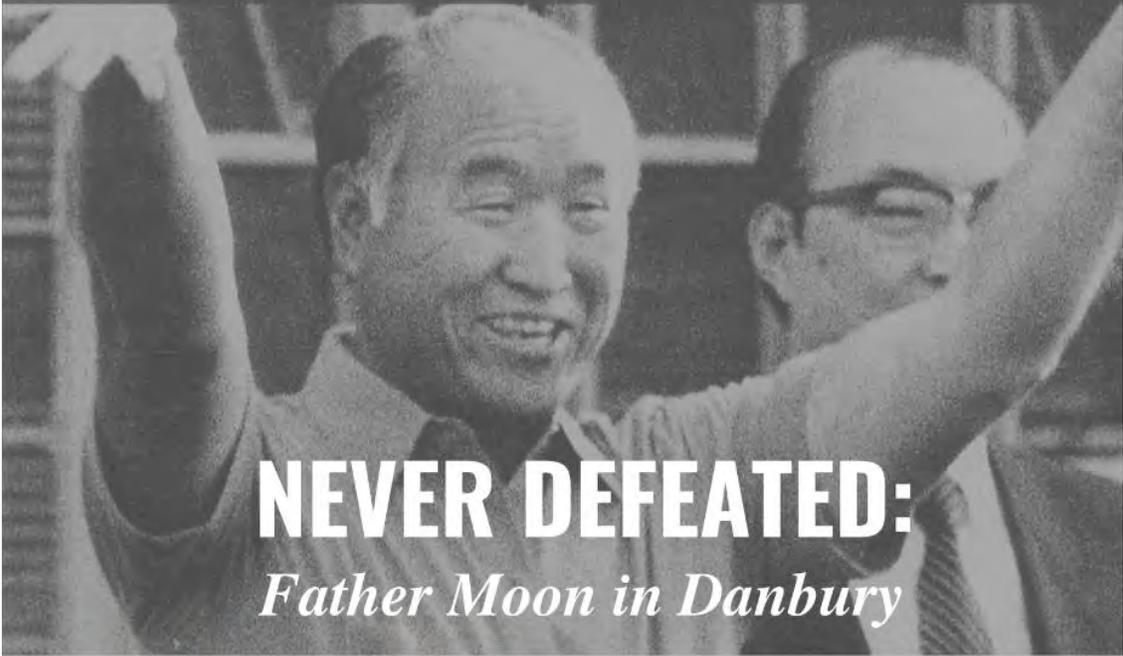

\*This event is being held as a special program in lieu of the regular weekly TribeNet call.\*
