Dear Brothers and Sisters,

The Lovin' Life Leadership College is about to launch its Summer Session (June 26th - August 15th) at the Learning Center in New York City. The college is an incredible opportunity to build some skills and learn a whole lot about Lovin' Life Ministries. We're about equipping leadership for Generation Peace.

The College places high emphasis on the development of practical skills and all training happens in the midst of Lovin' Life Ministries in Manhattan. In addition to highly interactive leadership trainings you will have a practicum in an area of Ministry of your choice. Opportunities include working in the areas of Pastoral Ministry (general, young adult and youth), Communications, Audio-Visual, Publications, Graphic Design, Dance etc. This incredible learning opportunity can build your resume and open up new avenues for personal development.

Each morning students will engage in classes in the areas of Leadership training: How to take a vision to action, How to create a budget to fit your project, The art of public speaking, Going Deep: DP, Unification Thought, Building the church you want to belong to and tons more. Each student will work with one of the Lovin' Life Departments for 20 hours a week; working and learning together with staff in a specific area. The experience you gain will be rich, varied and hands-on and you will go home with not only the passion to make a difference locally but the skills to do it.

The cost of attending the Lovin' Life Leadership College is \$1,000. As this is the gateway to actively contributing to and working in ministry it represents an important step for anyone who feels passionate about making a difference in their community. District Pastors have been invited to sponsor young leaders in their District and you are encouraged to contact your District Pastor in seeking sponsorship.

The college will include room and board for the duration of the college and expenses related to Lovin' Life activities, including BCSF. Students are encouraged to bring personal spending money and will have to cover the cost of their own transportation to the Learning Center in New York City. (Lovin' Life Learning Center: 4 West 43rd St. New York, NY 10036)

At Lovin' Life Ministries we believe passionately in the potential of all people and the gifts God has placed in you. We want to help you find the unique contribution you can make to our church. If you are a high school graduate and are interested in attending the Leadership College allow us to help you hone your talents and discover your ability for Ministry.
