

Our Change of Mission to Las Vegas

Dear Brothers and Sisters

My wife and I met with Dr. Balcomb, and it seems that we will be changing our mission. We have been asked to go to Las Vegas where I will help to teach DP and to support the ministry there.

I believe an announcement will be coming out soon - and I thought you should know.

I don't know who will take my place here in WestRock, and I don't know who will be the new NY District leader. I have informed the WestRock council - and they are going to begin a pastor's search.

If you have any suggestions, please let Dominic Barber know.

It has been a great honor and blessing to work with all of you. We did some good things together, made it through a few storms, and I know we all feel we could have done more. I am sure that much greater things are coming for WestRock and for America and I look forward to help make that happen along with you.

We are not exactly sure when we will leave for Las Vegas - but I am guessing it will happen in the next 6 weeks or so.

God Bless you

Andy & Lydia Compton
