August 20, 2022

We started a Divine Principle Lecture Training class at the beginning of August. The students are learning how to give a one-day DP lecture from Dr. Andy Compton.

We have a great range of students, including some new members.

The course will last for 8 weeks. Each week the students practice giving one presentation in pairs. They meet Thursdays from 7-8:30pm at Cheon Hwa Gung.

Thanks,

Brianna
