Our Charity Is Focused on Period Poverty & Education Support In Africa

IRFF UK is a UK-based charity for Africa operating projects across Africa with a **dual focus on education and addressing period poverty**. We are breaking the cycle of poverty by ensuring access to education for all and **preventing female dropouts through the provision of menstruation products and education**. Through this communities and youth are empowered and Africans are given the best chance for a brighter future.

Menstruation Should Not Be An Obstacle In Life

As a charity for Africa, IRFF UK holds a strong promise to help underprivileged African girls facing challenges, especially period poverty, which makes it hard for them to go to school. We are dedicated to breaking down these barriers by making sure these girls have what they need for their periods. By doing this, we empower these young minds, giving them the chance to stay in school, learn, and break free from the cycle of poverty.

The Women's Federation for World Peace, South London, has been supporting Destiny Junior School through IRFF-UK for more than 12 years. Our ladies sincerely had been helping to provide a better place for the children of Destiny Junior School in Uganda. We believe Education and health are the most important things for the life of the child.

Dolores Read
Destiny School Sponsor

I have been happy to support some projects that IRFF is running in Uganda. In particular, I have donated funds towards the building of a perimeter wall and a borehole at Destiny School. I really appreciate the good work IRFF has been doing over the years to help people/children in Africa.
