Ceremony for the Liberation and Blessing of 210 Generations of Ancestors

In a moving ceremony at the Unification Sanctuary in Newfoundland, PA on November 19, 2017, Hyung Jin Moon, the 2nd King of Cheon Il Guk, declared the liberation and blessing of 210 Generations of ancestors of brothers and sisters under True Father's authority from all over the world, as well as an estimated 270 million victims of Islam. In his "Declaration of Liberation" he explained as follows:

"Eventually by the 7th century the Church had become so immoral and corrupt that God allowed for the growth of Islam to be a hammer that would punish Christianity and force the corrupt elements out of the Church. Within 150 years of Mohamed's death Islam had spread over all of Arabia, North Africa and by the 11th century Islam had conquered Spain, and were moving to take the Byzantine Christian Empire and Europe.

As Islam grew the culture of forced child marriage and selling, honor killings, crippling misogyny and sex slavery of the conquered, spread. These cultural extensions of the life of Islam's prophet Mohamed, created a devastating wake of suffering and death upon Christians and non-Christians alike.

Scholars estimate that over 150 million Africans were exploited as slaves and another 50 million people from other countries including "white Europe" were exploited and died under the slave trade of Islam. Two thirds of these slaves were women, or nearly 132 million women were sold into slavery for sexual exploitation.

These exploited lives are forgotten in the pages of history and in the modern day Satan has used political Satanism and correctness to cover up the millions of innocent men, women and children who were brutally exploited under Islamic conquest and civilization.

God grieves in seeing this type of suffering and today the souls of those who have suffered and died in such a soul crippling manner will be liberated to enter into the higher realms of the spirit world where they can be remembered and recognized as being the innocent victims of such a brutal Islamic slave trade."

In accordance with instructions given by True Father to initiate the process of bringing salvation to departed souls, Ancestor Liberation and Blessing is held twice each year. Those who have placed themselves under True Father's authority may request that Hyung Jin Nim, the second King of Cheon Il Guk, liberate and bless their ancestors up to the 210th generation.

Rev. Hyung Jin Moon has explained that all liberations conducted while True Father (Rev. Sun Myung Moon) was alive are considered valid and that those conducted by FFWPU after his father's passing after September 3, 2012 were invalid. Any second generation or first generation individuals that have partaken of the desecrated holy wine of FFWPU after September 3, 2012 need to receive holy wine under True Father's authority and place themselves under True Father's authority to liberate ancestors.

October 30, 2016 Ceremony

Ceremony for the Liberation and Blessing of 210 Generations of Ancestors

Rev. Hyung Jin Moon conducted a ceremony for the Liberation and Blessing of 210 generations of ancestors on Sunday, October 30, 2016 at 10 am, at the Unification Sanctuary, Newfoundland, PA.

Rev. Sun Myung Moon has stated that spiritual and physical life begin at the moment of conception. Several years ago Rev. Hyung Jin Moon asked Father, "When does the spirit enter a baby?" Rev. Sun Myung Moon said that the spirit enters when the sperm unites with the egg at conception (this is the reverse of the Kwak teaching in the UC "Tradition" Book).

In a recently discovered video of Rev. Sun Myung Moon's spoken words during his later years, Rev. Moon spoke explicitly about the sinful nature of abortion. That video was shown during the ceremony on October 30, 2016 and can be viewed in the event video recording available on Sanctuary Vimeo channel. (See video from 1:06:24 to 1:08:52)

The October 30, 2016 ceremony included a special liberation for all children who died before birth as result of abortion or other circumstances. All unborn children throughout history were included in this liberation ceremony. No application or request was needed for the liberation of these children.

SUM-BCH Saturday 9:00 am EST

The course book, [The Biblio Diet by Jordan Rubin and Dr. Josh Axe](#), argues that the Bible contains a clear, timeless “blueprint” for health, longevity, and vibrant living that has been largely forgotten in modern times. This HSU class will focus on bringing the mind and body into alignment through natural means by studying the Bible and other health material.

Key themes to be discussed:

- * God designed humans to live long, healthy, and purposeful lives
- * Modern chronic diseases (cancer, diabetes, heart disease, depression, etc.) are largely the result of departing from God's original design for food, movement, and lifestyle.
- * Health is fundamentally spiritual stewardship — caring for your body as God's temple (1 Corinthians 6:19-20)

In addition to reading and reviewing the book we will share best practices with each other from our life experience.
