All the Lands That I Loved

By Kristina Seher

C **G** **Am** **F**
I have been wandering all over this world
C **G** **F** **C**
Looking for something I just couldn't find
C **G** **Am** **D7**
Seems like I'm moving in search of myself
C **G** **F** **C**
Where will I find my peace of mind

Chorus:

Am **Am7** **D7**
All the lands that I loved
G **D** **Em**
All the seas that I've sailed
C **D** **Em**
Miles and years roll by me
 C **D** **G**
It's been such a lonely trail

Finally a welcome felt deep in my soul
I know I will find it in this city of gold
People so friendly I know I will meet
My heart's pouring open please take it for keeps

Chorus:

All the lands that I loved, all the seas that I sailed
Can't compare to you now, my heart is in your hands

Our love's creating a world full of hope
Faces are glowing in the fresh morning sun
Children are dancing all races are one
Father is laughing our new life's begun

Chorus:

All the lands that I loved, All the seas that I sailed
Are fulfilled in this moment, We've come home to your love

Go Down, Moses

Em B7 Em C7 Em B7 Em B7
When Israel was in Egypt's land, let my people go!
Em B7 Em C7 Em B7 Em
Oppress'd so hard they could not stand, let my people go!

Chorus:

Em Am B7 Em
Go down, Moses, way down in Egypt land
C Em B7 Em
Tell old Pharaoh, let my people go!

Thus saith the Lord, bold Moses said, let my people go.
If not I'll smite your first born—dead, let my people go.

No more shall they in bondage toil, let my people go,
Let them come out with Egypt's spoil, let my people go,

The Lord told Moses what to do, let my people go,
To lead the Hebrew children through, let my people go.

O come along Moses, you'll not get lost, let my people go,
Stretch out your rod and come across, let my people go.

As Israel stood by the waterside, let my people go,
At God's command it did divide, let my people go,

When they reached the other shore, let my people go,
They sang a song of triumph o'er, let my people go,

Pharaoh said he'd go across, let my people go,
But Pharaoh and his host were lost, let my people go.

O take your shoes from off your feet, let my people go.
And walk into the golden street, let my people go.

If I Were Free

D Em A D D7
If I were free to speak my mind,
G Em A A7
I'd tell a tale to all mankind.
D D7 G Gm
Of how the flowers do bloom and fade,
D A D
Of how we fought and how we gained.

This weary world has had its fill
Of words of war on ev'ry hill.
The time has come for peaceful days,
For peaceful men and peaceful ways.

When all mankind has ceased to fight
I'll raise my head in thanks each night.
For this great love and all it means,
For golden days and peaceful dreams.

If I were free to speak my mind,
I'd tell a tale to all mankind.
Of how the flowers do bloom and fade,
Of how we fought and how we gained.

The Rainbow Song

D Bm G D
Father, make me a rainbow, to bridge old and new;
Bm G A7
Father, make me a gateway for many to come through.
D D7 G F#m
Father, You are the sunlight in a very dark land;
D Bm7 G A D
Make me a prism held in your hand.

Father, You are the music, make me a lyre.
I am the kindling, Father, make me a fire.
Our voices blend now, into one loving song;
The dream grows true now, beautiful—strong.

Bye and Bye

Chorus:

D **G** **D**
Bye and bye, when the morning comes,
D **E7** **A7**
All the saints of God are gathered home.
D **D7** **G** **D**
We'll tell the story how we've overcome,
A7 **D**
And we'll understand it better bye and bye.

D
We are tossed and driven
G **D**
On the restless seas of time;
D
Somber skies and howling tempest
E7 **A7**
Oft succeed a bright sunshine.
D
In that land of perfect day,
G **D**
When the mists have rolled away,
A7 **D**
We will understand it better bye and bye.

We are often destitute
Of the things that life demands;
Want of shelter and of food,
Thirsty hills and barren lands.
We are trusting in the Lord
And according to His word,
We will understand it better bye and bye.

Trials dark on every hand,
And we cannot understand
All the ways that God would lead us
To that blessed promised land.
But He guides us with His eye
And we'll follow Him on high;
And we'll understand it better bye and bye.

Sailing With Our Father

By David Rendel

G **D**
If the trip you're traveling gets long,
Am **G**
Wishing for a new day to come;
D **Am**
When the sun rises in the morning
C **G**
We'll set sail and move on.

Chorus:

D **Am**
Sailing with our Father
C **G**
You know His ship will never sway;
D **Am** **C**
New Hope on the horizon
Em
We've found the Promised Land today.

Look out with joy in your eyes,
The winds of truth will guide our way;
Leaving behind the raging sea,
On waves of Love we'll sail away.

Darkness it always turns to light,
The Promised Land is in sight;
He's our guiding star by night
And in the day our bright sunlight.

God's Majestic Crown

By Stefan des Lauriers; music by David Eaton

G **Em D** **G** **D D7***
We've come to God's creation, And are gathered in a ring
B **Em** **A** **D**
With hope for nations near and far, To hear the song we sing
G **Em D** **G** **B**
As we join hands in a circle, Let the majesty unfold
C **Am** **G D** **Em** **Am** **D** **G**
God's children all together now, Create a crown of gold
G **Em*** **F** **Bb** **Gm* A**
Let's all join hands and sing, God's Children in a ring
D7 **G** **D** **Em Bm**
Let our spirits shine, Like heavenly jewels
C **D** **G**
In God's Majestic Crown

True love endures like starlight
Two thousand years ago
The light sent from a passing star
Will still appear to glow
A giving heart is sunshine
Reaching out to everyone
Let's bring those halos down to earth
From 'round the moon and sun

Let's all join hands and sing...

Let's lift our hands to heaven
Beyond the golden skies
As one by one the stars appear
And hope is on the rise
For every soul that joins us
For each new hand we hold
There'll be another star of love
To grace the crown of gold

Let's all join hands and sing...

Note: D7* = D7/C
Em* = Em/G
Gm* = Gm/Bb
and Gm/Bb may be
played as Bb6 on guitar

Love is Born Anew

By Joshua Cotter

G **C**
Father, you've been on this road so long;
G **B7** **Em7** **Am7** **D7**
Oh, won't you rest your weary head upon my heart?
G **C**
Just take my hand, and together we will find
G **B7** **Em7**
A secret place where dreams are born
Am7 **D7** **G** **F** **G** **F**
And love's alive — your love's alive.

Father, you're the rock that stands so strong,
Although the waves have come against you for so long;
You still go on. And your hope is like a flame
G **B7** **Em7** **Am7** **D7**
That's ever burning through the darkness and the pain.

Bridge:

Bm7 **Em7** **Am7** **C**
Turn the teardrops into smiles;
Bm7 **Em7** **Am7** **C**
You're the Father, I am your child.
Bm7 **Em7** **Am7**
And together, we will heal this world.
Cm **G** **F** **G** **F**
And love is born anew.

You Decorated My Life

As performed by Kenny Rogers

G **C**
All my life was a paper, once plain pure and white
Bm
Till you moved with your pen, changing moods now and then
C **D**
Till the balance was right.
G **C**
Then you added some music, every note was in place
Bm
And anybody could see all the changes in me
Am **C** **D**
By the look on my face.

Chorus:

G Bm C D G Bm C
And you decorated my life
B7 Em
Created a world
Em7 Am D
where dreams are a part
G Bm C D G Bm C
And you decorated my life
B7 Em Em7
By painting your love
Am D
all over my heart.
G C D
You decorated my life.

Like a rhyme with no reason, in an unfinished song
There was no harmony, life meant nothing to me
Until you came along.

And you brought out the colors, what a gentle surprise
Now I'm able to see all the things life can be
Shining soft in your eyes.

We Are the World

By Michael Jackson and Lionel Richie

D **G** **A** **D**
There comes a time when we heed a certain call.
G **A7** **D**
When the world must come together as one.
Bm **F#m** **G**
There are people dying and it's time to lend a hand to life,
Em **Asus A**
The greatest gift of all.

We can't go on pretending day by day,
That someone, somewhere will soon make a change.
We are all a part of God's great big family;
And the truth, you know, love is all we need.

Chorus:

G **A7** **D**
We are the world, we are the children.
G **A7** **D**
We are the ones to make a brighter day, so let's start giving.
Bm **F#m**
There's a choice we're making, we're saving our own lives;
G **A7** **D**
It's true we'll make a better day just you and me.

Send them your heart so they know that someone cares.
And their lives will be stronger and free.
As God has shown us, by turning stones to bread
So we all must lend a helping hand. **(Chorus)**

Bridge:

Bb **C** **D**
When you're down and out, there seems no hope at all.
Bb **C** **D**
But if you just believe, there's no way we can fall.
Bm **F#m**
Let us realize, that a change can only come,
G **Em** **Asus**
When we—stand together as one. **(Chorus)**

The Power and the Glory

By Phil Ochs

C
Come on and take a walk with me
Through this green and growing land.
G7
Walk through the meadows and the mountains and the sand.
Walk through the valleys and the rivers and the plains;
F **G**
Walk though the sun and walk through the rain.

Chorus:

Am **Em**
Here is a land full of power and glory.
Am **Em G**
Beauty that words cannot recall.
C **Em**
But her power shall rest on the strength of her freedom.
F **G** **C**
Her glory shall rest on us all, on us all.

From Colorado, Kansas, and the Carolinas too;
Virginia and Alaska from the old to the new;
Texas and Ohio and the California shore,
Tell me, who could ask for more?

But she's only as rich as the poorest of the poor,
Only as free as a padlocked prison door,
Only as strong as our love for this land,
Only as tall as we stand.

Annie's Song

By John Denver

G **C D Em C** **G** **Em**
You fill up my senses like a night in a forest,
D **C Bm Am C** **D D7**
Like the mountains in springtime, like a walk in the rain.
C D Em C **G Em**
Like a storm in the desert, like a sleepy blue ocean.
D **C Bm Am D** **G C G**
You fill up my senses — come fill me again.

Come let me love you; let me give my life to you.
Let me drown in your laughter let me live in your heart,
Let me walk right beside you, let me always be with you.
Come let me love you; come love me again.

The Belvedere Song

Words by Ella Higginson, from a poem entitled "Four-Leaf Clover."

E **A** **E**
I know a place where the sun shines like gold,
F#m7 **B7**
Where the cherries bloom forth in the snow,
E **E7** **A** **G#m7**
And down underneath is the loveliest place,
F#m **B7** **E**
Where the four leaf clovers grow.

One leaf is for faith, and one is for hope,
And one is for love you know,
And God put another one in for you,
If you search you find where they grow.

But you must have faith and you must have hope,
You must love and be strong and so,
If you work, if you wait, you will find the place

We Are One In the Spirit

Em
We are one in the spirit we are one in the Lord.
Am **Em**
We are one in the spirit, we are one in the Lord.
Am **Em**
And we pray that all unity will this day be restored.
Am
And they'll know we're God's children by our love. by our love.
Em **C** **D** **Em**
Yes, they'll know we're God's children by our love.

We will work with each other, we will work side by side.
We will work with each other. we will work side by side.
And we'll guard each man's dignity and save each man's pride.
And they'll know we're God's children by our love, by our love,
Yes, they'll know we're God's children by our love.

We will walk with each other. we will walk hand in hand.
We will walk with each other, we will walk hand in hand.
And together we'll spread the news that God is in our land.
And they'll know we're God's children by our love, by our love.
Yes, they'll know we're God's children by our love.

Pass It On

Written by Kurt Kaiser

C **Em** **F** **G**
It only takes a spark to get a fire going;
C **Em** **F** **G** **F**
And soon all those around can warm up to its glowing
C **Dm** **G** **Em** **Am**
That's how it is with God's love; Once you've experienced it
Dm7 **C** **Dm7** **C** **F** **G** **C**
You spread His love to every one; you want to pass it on

What a wondrous time is spring,
When all the trees are budding;
The birds begin to sing,
The flowers start their blooming;
That's how it is with God's love,
Once you've experienced it;
You want to sing, it's fresh like spring,
You want to pass it on.

I wish for you my friend,
This happiness that I've found;
On Him you can depend,
It matters not where you're bound
I'll shout it from the mountaintops;
I want the world to know;
The Lord of love has come to me,
I want to pass it on.

We wish for you my friend,
This happiness that we've found;
On Him you can depend,
It matters not where you're bound
We'll shout it from the mountaintops;
We want the world to know;
The Lord of love has come to us,
We want to pass it on.

Try a Little Kindness

C F C
If you see your brother standing by the road,
G F C
With a heavy load from the seeds he's sowed.
F C
And if you see your sister falling by the way,

Just stop and say, "you're going the wrong way."

Chorus:

G
You've got to try a little kindness,
F C
Yes, show a little kindness
F Em Dm7 G
Just shine your light for everyone to see.
F
And if you try a little kindness,
C Em/B Am
Then you'll overlook the blindness
F G F G C
Of the narrow minded people on their narrow minded street.

Don't walk around the down and out;
Lend a helping hand instead of doubt.
And the kindness that you show every day,
Will help someone along their way.

Go Tell It on the Mountain

Chorus:

Who's that yonder dressed in white? Let my people go.
Must be the children of the Israelites. Let my people go.
Who's that yonder dressed in white?
Must be the children of the Israelites.
Go tell it on the mountain, to let my people go.

Who's that yonder dressed in black? Let my people go.
Must be the hypocrites turning back. Let my people go.
Who's that yonder dressed in black?
Must be the hypocrites turning back;
Go tell it on the mountain, to let my people go.

Gonna call it heaven 'cause that's what it'll be—

A place of beauty, peace and joy for you and me!

It'll take a struggle, but we'll see it through!
Go and tell your friends if they want to come,
That they're all welcome to this land we call freedom!

Fight determined to be victors and we'll triumph in the end.

Sing out the joy of living; sing your song on high;
The truth of mankind is that he's born to live, not die.

This Is My Song

Music by Jean Sibelius, words by Lloyd Stone.
Also known as Song of Peace (Finlandia)

C Dm7 G F C
This is my song, O God of all the nations,
Dm7 G F C
A song of peace for lands afar and mine.
Am Em Dm7
This is my home, the country where the heart is;
C F G E
Here are my hopes, my dreams, my holy shrine;
Em Am Em Dm7
But other hearts in other lands are beating
C F G C
With hopes and dreams as true and high as mine.

My country's skies are bluer than the ocean,
And sunlight beams on cloverleaf and pine.
But other lands have sunlight too, and clover,
And skies are everywhere as blue as mine,
Oh, hear my song, thou God of all the nations,
A song of peace for their lands and for mine.

This is my prayer, O Lord of all earth's kingdoms,
The kingdom come; on earth thy will be done.
Let Christ be lifted up till all men serve him,
And hears united learn to live as one.
Oh, hear my prayer, thou God of all the nations,
Myself I give thee; let Thy will be done.

And it's telling me that things are not the same.
In the leaves on the trees and the touch of the breeze,
There's a pleasin' sense of happiness for me.

Chorus

There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be just the same for you and me
All I need will be mine if you are here.

Chorus

Happy Heart

And as we watch the fire late at night
We'll feel our love is glowing bright

When I go home I'll climb that same old hill
I'll watch that sun and feel you with me still
And as you're watching too so far away
You'll know our love will always stay

Sunny Side of Life

By Bill Bollick/Blue Sky Boys

G **C** **G**
There's a sunny side where no ills betide,
D
On the road where we must go.
G **C** **G**
There are pleasant vales, fertile hills and dales,
D **G**
Where sweet flowers ever grow.

Chorus:

G **D**
(Bro) There's a happy sunny pretty rolling dales.
(Sis) happy sunny pretty rolling dales,
D7 **G**
(Bro) Where the sweetest joy and gladness evermore prevails,
(Sis) sweetest joy and gladness evermore prevails.
G7 **C**
(Bro) Where the sunshine lingers on the hills.
(Sis) Where the sunshine ever lingers on the grand majestic hills,
G **D** **G**
(Bro) On the sunny side of life.
(Sis) On the happy sunny side of life.

There are shady dells where no gladness dwells,
And the clouds obstruct the view
But a brighter way, like the light of day,
Is waiting now for you.

Let us sing a song as we go along,
Let us banish cares and strife,
That the world might know as we onward go.
There is a sunny side of life.

My Love

As popularized by Petula Clark

Chorus:

C **F** **G**
My love is warmer than the warmest sunshine,
Em **Am**
softer than a sigh
F **G**
My love is deeper than the deepest ocean,
C **C7**

F **G**
My love is brighter than the brightest star
Em **Am**
that shines every night above
F **G**
And there is nothing in this world that can ever
C **G** **C**
change my love.

Verse:

C **F** **G** **C**
Once I thought that love was meant for anyone else but me,
C **F** **G**
Once I thought you'd never come my way.
C **F** **G** **C**
Now it only goes to show how wrong we all can be.
F **G** **C**
And now my love grows stronger very day.

Lean on Me

Written by Bill Withers

We all need somebody to lean on.

Please swallow your pride,
If you have things you need to borrow.
For no one can fill those needs that you won't let show.

Chorus

If there is a load you have to bear that you can't carry.
I'm right up the road, I'll share your load if you just call me.

Up On the Hill

Melody from "Up On the Roof" by the Drifters; written by Gerry Goffin and Carole King

G Em C D
All my life I've been searching to find
C D G Em C D
A peaceful way of life for all mankind.
G Em C D
But all I found was hatred and strife.
C D G G7
If I could find that truth, I'd give my life.
C G
Deep inside my heart I want to know
C Bm Am D
If there is a way for me to show
D
My love for people now.

When this old world starts getting you down,
And the sorrow is just too much for you to take,
Just climb right up to the top of the hill
And learn of this ideal world that we will make.
In this house, the only house I know,
Where we all have a chance to change and grow
To perfection now.

So if we all follow Father's heart,
Together we can make a brand new start.
We'll build a Heavenly Kingdom for all
Where men are walking free and standing tall,
Father's ideal world is coming true—
But He can't do a thing without you! (So join our family!)
And now that you have heard our song,
Our hope and dream is that you'll come along.
Up on the hill, we'll build an ideal world, up on the hill.

The Day of Hope

By Dan Fefferman

D G C Am D
The day of hope is dawning in the middle of the night.
D7 G C Em D
The sons of earth are turning to the one and only light.
G C Am Em
Out of the East it's coming, burning, beaming bright.
C D G

Chorus:

D G D G
The day of hope. The day of True Family.
C D G
Day of joy; Day of delight!
(Repeat)

While mankind had been dreaming
The truth shone bright and clear.
Though we were unsure he was living,
The Lord was very near.
Into the world he's coming, to wipe away our tears,
And when in our hearts hope is living,
What shall we do with our fears?

There Is a Man Come Into Egypt

There is a man come into Egypt, and Moses is his name.

There is a man come into Egypt; his eyes are full of light,
Like the sun come up in Egypt,
Come to drive away the night—
Come to drive away the night, oh, Lord,
Come to drive away the night,
Like the sun come up in Egypt,
Come to drive away the night.

There is a man come into Egypt; he's come for you and me.
On his lips a word is singing,
And the word is "liberty."
And the word is "liberty," oh, Lord;
And the word is "liberty."
On his lips a word is singing,
And the word is "liberty."

There is a man come into Egypt, to stir the souls of men.
We will follow him to freedom,
And never wear those chains again—
Never wear those chains again, oh, Lord,
Never wear those chains again.
We will follow him to freedom,
And never wear those chains again.

The morning light, the lily white,
Declare their Maker's praise.
This is my Father's world, He shines in all that's fair,
In the rustling grass I hear Him pass,
He speaks to me everywhere.

This is my Father's world. O let me ne'er forget
That though the wrong seems oft so strong,
God is the Ruler yet.
This is my Father's world, the battle is not done,
Jesus who died shall be satisfied,
And earth and heaven be one.

Put a little love in your heart.
I hope that you decide
Kindness will be your guide.

Choosing to be wise;
Measure not the things you give,
Just see through children's eyes.

If you choose to live this way,
Joy will fill your lives;
We will give our best so all
Can see through children's eyes

Born of the one light, Eden saw play
Praise with elation, praise every morning

Playing songs of hope, playing songs of peace
They're the songs of every man

Get Together

As sung by the Youngbloods

D **C**
Love is but a song we sing, and fear's the way we die.
D **C**
You can make the mountains ring, or make the angels cry.
D **C**
'Tho the bird is on the wing, and you may not know why.

Chorus:

G **A7**
Come on people now, smile on your brother.
D **G** **A7** **D**
Everybody get together, try to love one another right now.

Some will come and some will go, and we shall surely pass.
When the one who left us here, returns for us at last;
We are but a moment's sunlight, fading in the grass.
(Chorus twice)

If you hear the song I sing, you will understand.
You hold the key to love and fear, all in your trembling hand.
Just one key unlocks them both, it's there at your command.

We will lift off the weight of the world
And our love will blossom supreme.
We will free each heart from the pain
And anguish of the past.
Through the preciousness of our love
True joy will reign at last.

Let It Be

Lennon/McCartney

G **D**
When I find myself in times of trouble
Em **C**
Mother Mary comes to me
G **D** **C** **G**
Speaking words of wisdom, let it be.

D
And in my hour of darkness
Em **C**
She is standing right in front of me
G **D** **C** **G**
Speaking words of wisdom, let it be.
Em **D** **C** **G**
Let it be, let it be. Let it be, let it be.
D **C** **G**
Whisper words of wisdom, let it be.

And when the broken-hearted people
Living in the world agree
There will be an answer, let it be.
For though they may be parted
There is still a chance that they will see
There will be an answer, let it be.
Let it be, let it be. Let it be, let it be.
There will be an answer, let it be.
Let it be, let it be. Let it be, let it be.
Whisper words of wisdom, let it be.

And when the night is cloudy
There is still a light that shines on me,
Shine until tomorrow, let it be.
I wake up to the sound of music
Mother Mary comes to me,
Speaking words of wisdom, let it be.
Let it be, let it be. Let it be, let it be.
There will be an answer, let it be.
Let it be, let it be. Let it be, let it be.

If You Should Hear a Song

By Sara Towe

Chorus:

G **C** **G**
If you should hear a song
C **D**
Out in the meadow loud and clear,
G **C** **G**
Have no fear, He is there,
D **G**
Calling His children near.

C **G** **D** **G**
He whispers and cradles all the world.
C **G** **D**
His voice, it is handsome, old and new.
G **C** **D** **C**
The melody heard is that of love,
D **C** **D**
And those who listen hear it true.

The day may be stormy; it seems it is His wrath.
Through all of your pleading it is cold.
But who can read that Mastermind,
And who doubts His heart of gold?

As time is the sunshine, wisdom is the key.
His children are growing to be free.
And in that land where He was King,
He now a Bridegroom shall be.

O beautiful for spacious skies, for amber waves of grain,
G **D** **E7** **A**
For purple mountain majesties above the fruited plain!
G **D** **G**
America! America! God shed His grace on thee,
C **G** **C** **D** **G**

O beautiful for pilgrim feet, whose stern impassioned stress
A thoroughfare for freedom beat across the wilderness!
America! America! God mend thine every flaw,
Confirm thy soul in self-control, thy liberty in law.

O beautiful for heroes proved in liberating strife,
Who more than self their country loved
and mercy more than life.
America! America! May God thy gold refine,
Till all success be nobleness, and every gain divine!

O beautiful for patriot dream that sees beyond the years,
Thine alabaster cities gleam, undimmed by human tears!
America! America! God shed His grace on thee,
And crown thy good with brotherhood from sea to shining sea!

Swing Low, Sweet Chariot

Chorus:

D G D A7
Swing low sweet chariot, coming for to carry me home,
D G D A7 D
Swing low sweet chariot, coming for to carry me home,

I looked over Jordan and what did I see?
Coming for to carry me home.

Coming for to carry me home.

If you get there before I do,
Coming for to carry me home,
Just tell my friends I'm coming too,
Coming for to carry me home.

If I get there before you do,
Coming for to carry me home.
I'll dig a hole and pull you through,
Coming for to carry me home.

I'm sometimes up and sometimes down,
Coming for to carry me home.
But still my soul feels heavenly bound,
Coming for to carry me home.

Heal the broken heart that bleeds,
And may the time of wonder last.

I dreamed I saw Susanna—coming 'round the hill,
The buckwheat cake was in her mouth, a tear was in her eye,
I said I come to take you home, Susanna don't you cry.

Oh, Susanna, oh don't you cry for me
I come from Alabama,
With the banjo on my knee.

Be Kind to Your Web-Footed Friends

(To the tune of the Sousa March)

Be kind to your web-footed friends,
For a duck may be somebody's mother,
They live in a swamp all alone,
Where the weather is always damp.
You may think that this is the end,
It is, but to prove I'm a liar,
We're going to sing it again,
Only this time a little bit high-er (Repeat ad nausea)

Baby Beluga

By Raffi and Debi Pike

D
Baby Beluga in the deep blue sea,
 A
Swim so wild and you swim so free;
A7
Heaven above and the sea below,
 D
And a little white whale on the go.

G **D** **E**
Baby Beluga, Baby Beluga, is the water warm,
 A **A7**
Is your mama home, with you so happy?

Way down yonder where the dolphins play,
Where you dive and splash all day,
Waves roll in and the waves roll out,
See the water squirtin' out of your spout.

Baby Beluga, oh Baby Beluga, sing your little song,
Sing for all your friends, we like to hear you.

When it's dark, and you're home and fed,
Curled up snug in your waterbed,
Moon is shining and the stars are out,
Good night, little whale good night.

Baby Beluga, oh Baby Beluga, with tomorrow's sun,
Another day's begun, you'll soon be waking.

Baby Beluga in the deep blue sea,
Swim so wild and you swim so free;
Heaven above and the sea below,
And a little white whale on the go,
You're just a little white whale on the go.

This Land Is Your Land

Lyrics by Woody Guthrie

Chorus:

G **C** **G**
This land is your land, this land is my land
D7 **G**
From California to the New York Island
C **G Em**
From the Redwood Forest to the Gulf Stream waters
D **D7** **G**
This land was made for you and me.

As I went walking down that ribbon of highway
I saw above me that endless skyway;
I saw below me that golden valley;
This land was made for you and me.

I roamed and rambled, and followed my footsteps
To the sparkling sands of her diamond deserts
While all around me a voice was saying:
This land was made for you and me.

As the sun was shining and I was strolling
And the wheat fields waving and the dust clouds rolling
As the fog was lifting a voice was chanting:
This land was made for you and me.

You Are My Sunshine

As popularized by Jimmie Davis

Chorus:

G A D D7
You make me happy when skies are gray
G A D Bm
You'll never know, Lord, how much I love you
D A D

There is a meadow, high on a mountain
Where skylark and wild rose abound
The eternal homeland my heart's desire
Shines like gold at the rainbow's end.

Through the long winter, the harsh winds blowing
All creatures die on barren soil
Now sunlight warming, the ice to streamlets
Earth in spring is a garden of joy!

Joy is tried by storm.

I saw raindrops on the river, joy is like the rain.
Bit by bit the river grows, till all at once it overflows.
Joy is like the rain.

I Saw the Light

Written by Hank Williams Sr.

G
I wandered so aimless, life filed with sin
C **G**
I wouldn't let my dear saviour in

Then Jesus came like a stranger in the night
D **G**
Praise the Lord I saw the light.

Chorus:

G
I saw the light I saw the light
C **G**
No more darkness no more night

Now I'm so happy no sorrow in sight
G **D** **G**
Praise the Lord I saw the light.

Just like a blind man I wandered along
Worries and fears I claimed for my own
Then like the blind man that God gave back his sight
Praise the Lord I saw the light.

Chorus

I was a fool to wander and stray
Straight is the gate and narrow the way
Now I have traded the wrong for the right
Praise the Lord I saw the light.

Chorus

The Battle Hymn of the Republic

A
Mine eyes have seen the glory of the coming of the Lord.
D **A**
He is trampling out the vintage where the grapes of wrath are stored.
F#m
He hath loosed the fateful lightning of His terrible swift sword.
D **E7** **A**
His truth is marching on.

Chorus:

A **D** **A**
Glory, glory, Hallelujah! Glory, glory, Hallelujah!
F#m **D** **E7** **A**
Glory, glory, Hallelujah! His truth is marching on.

I have seen Him in the watch-fires of a hundred circling camps.
They have built Him an altar in the evening dews and damps.
I can read His righteous sentence by the dim and flaring lamps:
His day is marching on.

He has sounded forth the trumpet that shall never call retreat;
He is sifting out the hearts of men before His judgement seat.
O be swift my soul, to answer Him, be jubilant my feet!
Our God is marching on.

In the beauty of the lilies, Christ was born across the sea.
With a glory in his bosom that transfigures you and me.
As He lives to make men holy, let us live to make men free!
While God is marching on.

He is coming like the glory of the morning on the wave;
He is wisdom to the mighty, He is honor to the brave.
So the world shall be His footstool and the soul of wrong His slave.
Our God is marching on.

The truth is sought by ev'ryone
In many a different way.
In darkness children seek the path
That will hasten in the day.
Through struggles of the cent'ries long,
They have never ceased to fight.
Our Father's will has kept them strong,
And through Him they'll live in light.

Now brothers, sisters all join hands
To encircle all the earth.
The time has come for all mankind
To know the world's rebirth.
Whatever we do, wherever we go,
We are all in one embrace.
When we roll the clouds of dark away
We will see His shining face.

We're marching to the blessed land of Canaan with delight,
G **A7** **D**

At last we are released and free from being slaves to sin,

O guide us with your pillars, Lord, of fire and of cloud,
O give us paths to follow with our lives.
The moment that we cross the Jordan River is at hand,
We're coming to the blessed spring of life.

Our thirsting hearts receive with joy the manna from above,
Your precious food will always be our strength
So if the future finds us lacking we will not despair
We're coming to the blessed spring of life.

Song of the Garden

Early nineteenth-century hymn; author anonymous

D **Bm**
The Lord into His garden comes;
D **Bm** **G**
The spices yield a rich perfume;
A7 **D** **Bm** **G** **D** **A7** **D**
The lilies grow and thrive, the lilies grow and thrive.
D7 **G**
Refreshing showers of grace divine,
D **Bm** **Em**
From the Father flow to every vine,
A7 **D** **Bm** **G** **D** **A7** **D**
And make the dead revive, and make the dead revive.

Oh that this dry and barren ground
In springs of water may abound;
A fruitful soil become, a fruitful soil become.
The desert blossoms as the rose,
When the Savior conquers all his foes,
And makes His people one, and makes His people one.

Come brethren you that love the Lord,
And taste the sweetness of His word;
In Father's ways go on, in Father's ways go on,
Our trouble and our trials here,
Will only make us richer there,
When we arrive at home, when we arrive at home.

All will share the harvest of joy
At the banquet of our Lord.

When the woes of six thousand years
Are gone from the Father's heart,
Sons and daughters shall live with great joy,
Our True Parents' own
Saints and sages and men of good faith
All waited for this day;
Loyal men of hope and fidelity
Yearned to see this day.

Chorus:

Amid the storm, tossed on the sea,
Beacon of hope, guiding me.
Amid the storm, shelter is near,
Trust in Him for God is love.

All things decay, passing away,
Only the light shall remain;
All things decay; still there is One,
True and faithful, God is love.

This sings my soul, my Savior God, to Thee;
E E7 A
How great Thou art, how great Thou art!

When through the woods and forest glades I wander
And hear the birds sing sweetly in the trees,
When I look down from lofty mountain grandeur,
And hear the brook and feel the gentle breeze.

And when I think that God, His Son not sparing,
Sent Him to die, I scarce can take it in,
That on the cross, my burden gladly bearing,
He bled and died to take away my sin.

When Christ shall come with shout of acclamation
And take me home, what joy shall fill my heart!
Then I shall bow in humble adoration,
And there proclaim, my God, how great Thou art.

Christ Is Here!

By Sandra Lowen

Chorus

Am D Am D
I want to sing, Alleluia.
Am D Am
I want to sing, Alleluia.
D Am D Am D
Christ is here, Christ is here!
(Repeat)

Am D Am D
I sought him in ashes, down long, narrow streets,
Am D Am D
Down paths paved with sorrow.
C D
But searching in sorrow, I found him in joy,
Am D Am D
Allelu!

How many have fasted and prayed for this hour,
But we have the blessing.
Of serving the Father through loving His son.
Allelu!

Lord, we are not worthy, we are not complete,
And yet we are chosen.
How gladly I'll give Him my heart hands and voice.
Allelu!

A Miracle America

By Stefan des Lauriers

C **G**
The morning sun is golden through the evergreens
F **C** **G**
Like the Torch of Liberty charging through the foggy beams
C **G**
The landing of the Pilgrims on our verdant shore
F **C** **G**
Can you see that shining city still glowing through the storm?

Chorus: **C** **F** **C** **F** **C**
Have you seen the light of freedom? It's there for you and me
F **C** **F** **C**
High above the harbor for all the world to see
G **F** **C** **G** **C**
A Miracle America the Light of Liberty

The Gateway Arch is shining, afternoons on the plains
We're grateful to be sharing in this harvest of choice grain
The prairie schooners ventured through unknown terrain
And in the hearts of many that pioneer spirit remains

Chorus

Em
And for those brave souls who were lost to us
C
—We remember you with tears
Em
And for those who have yet To live the dream
C
May a brighter light appear
G
From the depths of the Grand Canyon
F
To the footprints in Moon dust

G **Bm**
We can take those giant leaps
Am **D7** **G** **G7**
'Cause it's in God we Trust

The California Gold Rush in Eighteen Forty Nine
And the last gleaming spike driven in the railway line
The Golden Gate at sunset red and yellow black and white
All races turn to gold as we face the amber light

Chorus
(sing last line 3 times)

Be Thou My Vision

D **Bm** **G** **A** **D**
Be Thou my vision O Lord of my heart
A **G** **A**
Nought be all else to me, save that Thou art
G **D** **Bm** **G** **A**
Thou my best thought, by day or by night
D **Bm** **G** **A** **D**
Waking or sleeping, Thy presence my light.

Be Thou my wisdom, Thou my true word
I ever with Thee, Thou with me, Lord
Thou my great Father and I Thy true son;
Thou in me dwelling, and I with Thee one.

Riches I heed not, nor man's empty praise
Thou mine inheritance now and always
Thou and Thou only, first in my heart
High King of heaven, my treasure Thou art.

High King of heaven, after victory won,
May I reach heaven's joys, O bright heaven's Sun!
Heart of my own heart, whatever befall,
Still be my vision, O Ruler of all.

Higher Ground

G **C**
I'm pressing on the upward way
G **D7**
New heights I'm gaining every day,
G **C**
Still praying as I'm onward bound,
G **D7** **G**
Lord, plant my feet on higher ground.

Chorus:

G **C**
Lord, lift me up and let me stand.
D7 **G**
By faith on heaven's table land,
G7 **C**
A higher plane than I have found;
G **D7** **G**
Lord, plant my feet on higher ground.

My heart has no desire to stay
here doubts arise and fears dismay,
Though some may dwell where these abound,
My prayer, my aim is higher ground.

I want to live above the world,
Though Satan's darts at me are hurled,
For faith has caught the joyful sound,
The song of saints on higher ground.

I want to scale the utmost height,
And catch a gleam of glory bright,
But still I'll pray till heav'n I've found,
"Lord, lead me on to higher ground."

Amazing Grace

D **D7** **G** **D**
Amazing grace! how sweet the sound,
A7
That saved a wretch like me!
D **G** **D**
I once was lost, but now am found,
A7 **D**
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved.
How precious did that grace appear,
The hour I first believed.

Through many dangers, toils and snares.
I have already come.
'Tis grace hath brought me safe, thus far,
And grace will lead me home.

The Lord has promised good to me,
His Word my hope secures.
He will my shield and portion be,
As long as life endures.

Yea, when this flesh and heart shall fail,
And mortal life shall cease,
I shall possess, within the veil,
A life of joy and peace.

The Father's Dwelling Place

Words and music: Duk Chin Kim 1956

D **Em** **A** **D** **Bm** **G** **A**
The Father's dwelling place is the fountain of our life,
D **D7** **G** **D** **Bm** **A7** **D**
Drawn to the light of eternal day, we abandon the darkness.
D **Bm** **D** **Bm**
May the Word of God in my heart resound
D **Bm** **D** **Bm**
So eternally, to receive His love.
D **G** **D** **Bm** **E7** **A7**
We shall be His pride and delight, children of the Living God.
D **Bm** **G** **Bm** **A7** **D**
Into the world of Eden regained, Let's go marching together.

The Father's dwelling place is the throne of new life,
Now our resurrection is come, which we long awaited.
May the Word of God, in my heart resound,
So eternally, to return His joy.
We shall be His pride and delight, children of the Living God,
Into the world of Eden regained, Let's go singing together.

The Father's dwelling place is the eternal paradise,
Where the blessing He had to reserve will be freely given.
May the Word of God in my heart resound,
So eternally to receive His praise.
We shall be His pride and delight, children of the Living God,
Into the world of Eden regained, Let's go dancing together!

Song of the Banquet

G **C** **Am** **D7** **G**
Pure new life that once was sown within the garden's fertile soil,
G **B** **Em** **A** **A7** **D**
Sprouting seed has now become a blossom of heavenly loveliness.
G **Em** **Am7** **D7** **G** **A** **D** **D7**
Father above, Lord of all, shower your blessing upon
G **D** **G** **G7** **C** **Am** **D** **D7**
This holy day, bond of love forever more!
G **C** **B** **Em** **Am7** **D7** **G**
Hallelujah, Glorious Day of Joy!

Fairest flowers of the meadow, tender buds of perfect form.
Now receive the gift of life and dance in the joy of eternal spring
Heavenly host, men on earth, join us in praising this day;
Bless us to share, love's communion faithfully,
Hallelujah, Glorious Day of Joy!

Hushed we stand in awe before you, ready now to give our pledge,
To attend and serve completely with an unchanging eternal love.
Glorious King, mighty God, fill with your blessed grace,
This dearest one; holy banquet of our love.
Hallelujah, Glorious Day of Joy!

Overflowing with your love as dawn proclaims eternal life,
Earth and heaven come surround the glorious Parents of mankind,
Gather around, sing the song, fragrant the love of the Lord;
Tell all the world, Spring has come eternally!
Hallelujah, Glorious Day of Joy!

The Marriage Has Come

By Dan Fefferman

D G A G A
Rise and shine, greet the brand new morning.

G A D A
Now shall you see and rejoice;

D D7 G
For the fire of truth is quickly kindling,

A G D
Causing all to hear His voice.

G A D
The gates are swinging now wide open;

Em A
Nevermore shall they be closed.

D G
For the Lord our God Almighty reigneth

A G D
Christ has conquered all his foes.

Chorus:

G D G A D
People listen! God's will has been done.

Em G D G D G D
The marriage has come; Earth and Heaven shall be one.

Daughters in arms shall all be carried to Him.

Kings in procession be led;

And the blessing of life will be given

To the ones who once were dead;

And God will take us to His bosom;

Nevermore again to roam.

And all will share a common heart then

When we arrive at Father's home.

In a world well fortified with falsehood.

A golden trump triumphant sounds,

Bathing all the earth in light of music

Breaking down illusion's walls.

The gates are swinging now wide open;
Nevermore shall they be closed.

For the Lord our God Almighty reigneth
As Christ has conquered all his foes.

Chorus:

People listen! God's will has been done.

The marriage has come; Earth and Heaven shall be one.

Earth and Heaven shall be one

Resurrection

By Sandra S. Lang and Barry Cohen

G F C G
White lily of the valley that's fresh with morning rain,

F C G
Your innocence and beauty can ease this world of pain.

F G
Beauty is a seedling placed deep in human sod,

F G
Which one day soon will blossom into the love of God.

White lilies bloom and wither as sunshine follows rain;
But Father's wound will hurt Him beyond all human pain.

Till all men have listened and heard His loving Word.

And come to Father's bosom beside our one true Lord.

As I look all round me and see the coming dawn,

My grateful heart goes to Him as I awake reborn.

Now His son has freed us from suffering and pain,

By raising Father's Kingdom where love and beauty reign.

The love of God is growing and radiating beams

Of joy throughout creation, fulfilling Father's dreams.

Evil will be vanquished and transformed into good;

The plan for all creation at long last understood.

C Em
The Lord is One?

Chorus:

G Bm Em D

And won't you come along
G Bm Em D
To build the heav'nly kingdom,
C Bm Em
And sing a brand new song!

Call everybody, try to understand,
We've got to start working, the time is at hand.
Call ev'rybody; try to understand.
The Day is come.

Lo, on Mt. Zion, (the) son of man appears,
To rule the house of Jacob for ten thousand years.
Lo, on Mt. Zion, (the) son of man appears,
And cries, it is done!

All bound together, nobody can fall;
Loving each other loving one and all.
All bound together, nobody can fall,
Our race is one.
Our race is won!
Our race is one.

All holy children come, new days have dawned at last,
March forward one and all, quickly now unite.

Song of the Spring Breeze

C
Snow and cold wind of the bitter dark night,
F **C**
Lift off the weight of your cold ruthless hand;
G7 **Am**
Spring breeze will chase you and bring flowery fragrances
F **C** **G7** **C**
Breathing new life to the suffocated hills.

Though you most ruthless of winter winds blow,
Doomed in a moment you too shall be calmed;
Spring breeze will chase you and bring flowery fragrances
Breathing new life to the suffocated hills.

Butterfly awake and you meadowlark of spring,
Our land has suffered this nightmare too long;
Spring breeze will chase you and bring flowery fragrances
Breathing new life to the suffocated hills.

Song of the Young People

G **C** **Am** **D**
We shout with joy, we rise and sing! The Will of God is done!
G **Am** **D** **D7** **G**
A new day dawns and the dream lives; the Son of God has come!
Em **G**
Fight bravely to crush Satan; God's power will be revealed.
Am **D** **G**
In the children of our Father, the Youth of Harmony.

The darkness which has covered us in Him has been dispelled.
The dawn breaks into daylight; we ring the morning bell.
Thirty billion shall live in the bright white light of truth.
Let us rise and march forward with Harmony of Youth.

As children of the Heavenly power, we march against our foe;
The command comes and the world bows to our True Father's own!
Beaming light unto the nations, we carry high our dream.
Let us win out for our Father, we Youth of Harmony!

Grace of the Holy Garden

Words: Rev. Sun Myung Moon 1953 ; Music: Duk Chin Kim

Grace filling me with golden light, measureless blessing divine;
G **Bm** **G** **C** **G**
God gives eternal life to me, perfect rejoicing is mine.

Chorus:

G **C** **G** **C** **D7**
Glorious the song ringing in my heart for my Father above;
G **C** **G** **D7** **G**
Gratefully I give offering to Him, triumph and glorious love.

Joy surging like an ocean wave, flowing so deep in my soul;
Hope rises as I go in praise, knowing that man will be whole

High, limitless eternal life, touching the top of the sky;
Praise filling every part of me blessing that never will die.

You've chosen me to do Your will, thankful, I vow to be true;
I'm pledging in my heart of hearts; Father, my life is for You.

Our Forefathers

How the beauty of our native land lifts us to the skies;

God has surely chosen this eternal paradise

When I Behold the Lord

Christian Japanese hymn

D **A7 D Em** **A7 D**
When I behold the Lord of all, my old self dies away.
D **A7 D Em A7 D**
So dies the world of sinfulness giving birth to good.
D **G D A D A7 D A7**
Soon a new self emerges, clear and bright and pure;
G **D Bm Em A7 D**
Come and behold the new life, heaven and earth reborn.

Now I behold Jerusalem, city of loveliness,
Gently descending from above, ever to be my own.
Joy never ending is with me, long as the Lord is near;
Joy ever flows in sweetness, river of precious life.

Kingdom of God eternal fervently I desired;
Heavenly rays so softy fall, shining the Sun of Grace.
Springing forth in ripeness, fruit of the Tree of Life,
Torment of doubt is over, gone is the shadow of death.

Torturing every part of me, sinfulness rules my soul.
Still God can raise me purified, giving creation to me.
Letting me live in his palace, shining with golden light;
Boundless His love and kindness, boundless His love for me!
